Christian Science Churches

"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, October 16.

The Golden Text was from Galatians 2:20, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation . . . Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God" (II Cor. 5.18, 20).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The atonement of Christ reconciles man to God, not God to man; for the divine Principle of Christ is God, and how can God propitiate Himself? Christ is Truth, which reaches no higher than itself. The fountain can rise no higher than its source" (p. 18).
