

### Community House Board Recognizes Blatchford Bequest

In his will, N. H. Blatchford left his property on Ridge avenue, Winnetka, which had been his home of late years, to the board of trustees of the Winnetka Congregational church in trust for the maintenance and upkeep of the Winnetka Community House, so long as it shall be maintained and remain within the jurisdiction of the board of trustees of the church.

At the quarterly meeting of the board of governors of Community House the following letter was voted to be sent to Mr. Blatchford's sons, Dr. Frank W. Blatchford and Nathaniel H. Blatchford:

"Dear Friends:

"At the regular quarterly meeting of the board of governors of Community House, the portion of your father's will, relating to his bequest to the work of Community House, was read. The director was instructed by the board to write you for the governors their appreciation of this generous act of your father.

"The work of Community House is growing with the enlarging of the community, making more demands upon us. This of course is true of any progressively growing work. So there is need of more money and this gift will help forward this unique piece of service to this community very materially. The thanks of the board of governors cannot be given to your father but they wish to express to you their appreciation of what your father has done. Through this gift his influence will continue to be at work through the agency which he deemed worthy of his generosity.

"I want also to express my appreciation. Not soon will I forget the evenings I spent with him in front of his fireplace and in answer to his eager questions, talked of the work of Community House. I soon discovered that he was not without his own observations but never dreamed that his interest would be shown in such a helpful and substantial way.

"Trusting that we shall be worthy

of the faith he had in this institution, I am

Very sincerely yours,  
J. W. F. Davies.

For the Board of Governors."

Following the suggestion made in the will, the trustees of the Congregational church have sold the property on Ridge avenue for \$30,000. Taking out the taxes and necessary costs, there will be left about \$29,000, which will be invested in productive income securities for the maintenance and upkeep of Community House.
