

ORCHESTRAL CONCERTS TO BEGIN NOVEMBER 14

Artists of World-wide Reputation to Appear with Symphony This Winter

The sixth concert season of the Little Symphony orchestra concerts under the auspices of the New Trier Orchestral association will be inaugurated Monday, November 14. As has been the custom during past seasons, the concerts this year will be given both in the afternoon and evening in the New Trier High school auditorium.

For the evening series soloists of world-wide reputation have been engaged for all but the opening concert, thus adding interest and beauty to these programs which, under the direction of George Dasch, have, during the past season, ranked with the best north shore musical events. The evening concerts will begin promptly at 8:15 o'clock and will conclude at 10:30. The first will, as announced, be given on November 14, the second, December 5; the third, January 2; the fourth, February 6, and the last, March 1.

The size of the orchestra makes it possible to offer in the afternoon series, programs of the widest range and an exceptional opportunity is given for the cultivation in children of a taste for the best in music. In view of this fact north shore school children attending the concerts will be excused from classes on the four concert afternoons. Attendance is required of all New Trier High school freshmen as a part of their required course in music appreciation. The concerts, which start at 2:30 and are concluded by 3:30, will be given on the afternoons of November 14, December 5, February 6, and March 1.

Miss Katharine Roach of 292 Sheridan road, Winnetka, and Gerard Nornberg of Highland Park, accompanied by Mr. and Mrs. Arthur L. Foster of 812 Oakwood avenue, Wilmette, will motor down to Champaign tomorrow for the Illinois-Michigan game.
