Insurance Company Shows Big Investment Advance

Archibald M. Woodruff, vice president of the Prudential Insurance Company of America, who is in charge of that organization's real estate mortgage loan department, has announced that the Prudential's investments in the field during the first nine months of 1927 reached the total of \$150,791,001.

Of this total, \$113,297,638.50 was loaned on dwellings and apartment houses, thus providing 18,699 individual homes and 981 apartment houses, for the accommodation of 33,044 families in the United States and Canada. During the similar period of 1926 the loans on such properties totalled \$104,403,477, thus showing a gain with this year of \$8,894,161.50. In the first nine months of 1926 only 30,129 families were accommodated by this loan, thus 1927 investments in this field care for an additional 2,915 families.

Junior League Lays Plans for Attractive Armistice Eve Ball

Entertainment plans, now in the making, promise to offer something especially attractive to patrons of the Junior League Armistice Eve ball—a red, white and blue frolic this season.

It will be held at the Evanston Country club Thursday, November 19, and to its success league members are bending every possible effort between now and that date. Miss Marian Dawes is general chairman of the party.

Annual reports were brought to the October meeting, held at the Orrington October 12, and new officers then took their places. Members are busy-ing themselves with the various welfare agencies to whose work they make active contribution—the day nursery, the Cradle Maisonette, the psychopathic clinic, the Evanston hospital and others. The next league meeting is announced for November 9 at the Orrington hotel by the president, Mrs. Frederick P. Ives.

North Western Carries 6,000 to Dyche Stadium

More than 6,000 of all those people who filled Dyche stadium to capacity Saturday came to and left Central street on the special trains operated by the North Western railroad.

There were nine specials waiting at the North Western depot in Chicago Saturday to bring to Evanston the crowds for the game. They started at 12:40 and followed each other in intervals as rapidly as they were filled. They made the trip in twenty minutes each, making no stops between Chicago and Central street.

And when the going home rush started the nine trains of ten cars each with 68 seats in each car were lined up and waiting. As each train had its capacity it started southward and the crowd was transported away in record time.

Fellow Club Members Honor Nesbit's Memory

Presidents of the numerous clubs of which the late Wilbur D. Nesbit of Evanston was a member, joined Wednesday evening, Oct. 19, in a silent toast to his memory at a dinner given at the Chicago Athletic club by the Forty club of which Mr. Nesbit was president for 21 years.

The guests included presidents of the Chicago Athletic association, the Indiana society, the White Paper club, the Cliff Dwellers, and notables who included George Ade, Bishop Walter T. Sumner of Oregon; also the late writer's three sons, Richard, Robert and Wilbur, Jr. Bishop Sumner delivered a memorial address. Samuel E. Kiser read a poem dedicated to Mr. Nesbit. Judge A. J. Petit presided.

STUDIES MUSIC IN ROME

Miss Phyllis Eileené Berry, who left her home in Glencoe last August to spend three years in Europe, is now in Milan, Italy. She has been studying cello music and has been accepted at the Royal Academy in Rome. Her parents plan to join her there at Christmas time.

Dr. and Mrs. W. A. Nabors, who have been in Winnetka since July, visiting their daughter, Mrs. George T. Leach of 515 Sheridan road, will leave November 1, for their home in Mansfield, Ia.

Mrs. W. H. Smythe, 43 Kenilworth avenue, Kenilworth, entertained her sewing club at luncheon at the Vista del Lago Friday, October 21.

A Little Girl Drew This Illustration in Colors

Saturday a week ago, Mr. Scheffler told the Children's Class that the best "witch" drawing made that morning would be reproduced in this announcement. Then a real live "witch," with broom, hat and everything, posed for them. The sketches in Hallowe'en colors were so good that selection was not easy. We shall be happy to show the collection to anyone who wishes to see what remarkable artistic ability can be rapidly developed in children under The Evanston Academy's interesting methods.

A Hallowe'en Party for Our Little Artists

EACH will bring a friend to the children's classroom which is decorated for Hallowe'en in a way dear to every child's heart.

The program for drawing has been especially planned, with witches, goblins, pumpkins and all the Hallowe'en atmosphere, to absorb the interest of our little pupils and their guests. Fun and work will be judiciously combined—for we are ever mindful of the underlying serious purpose of the children's presence here.

They will have a wonderful time, from 9:30 to 12. In fact, every Saturday forenoon there is something new, unusual or a surprise to hold their interest and cause them to look forward to coming.

It is a priceless heritage to instill in a boy or girl a deep and lifelong appreciation and understanding of the beauties and finer things in art, whether or not an art career is contemplated. If you are interested, "look in" on the Children's Class any Saturday forenoon. See exactly how we grip their attention, personally supervise and develop talent. Children of ten or older may be enrolled. The fee is moderate.
