

ENOZ MOTH SPRAY

KILLS MOTHS—DOES NOT STAIN

The Spray that Really Insures Against Moth Damage

Now is the time to spray your furniture, carpets, rugs, overdraperies and all woolens to avoid loss and damage from moths.

The flying moth miller is evidence that moth worms are ravaging something of value in your home.

Enoz Moth Spray is packed in a convenient size for every purpose

Go to your nearest store and buy a can today.

When using Enoz Moth Spray be sure and read directions carefully.

Your car now needs— Winter Lubricant

The Transmission and Differential of your car need a change of grease for the colder weather.

WE KNOW

the correct grade of lubricant your car requires.

Avoid hard starting and the stiffness in your motor on cold days. Bring your car to us now or better still—phone us and we'll call for it.
