ODD FELLOWS ENJOY ANNIVERSARY FETE

New Trier High School and Public School Observes Special Program This Month

by A. H. Hardie

A very interesting program of six vaudeville acts, community singing, addresses on Odd Fellowship, selections by the Evanston I. O. O. F. orchestra, and dancing provided an enjoyable evening last Saturday for the large crowd that attended the anniversary celebration of A. T. Sherman lodge, No. 892, and Wilevansbrook Encampment, No. 177, I. O. O. F., in the Odd Fellows building, 1217 Wilmette avenue, Wilmette.

The first number on the program was one in which the audience acted as its own entertainers. This was in the nature of community singing, under the direction of A. Simon. Then, after a selection by the orchestra, William J. Schatz, a charter member of A. T. Sherman lodge, gave a brief history of the lodge, from its institution in 1899, with only twenty-five members, up to its present membership of almost 300. His address was followed by three vaudeville acts of acrobats, comedy, and whistling and bird imitations. The address of the evening was then delivered by the Rev. J. H. Durand, past grand chaplain, and pastor of the Ravenswood Methodist church. He summarized the origin of Odd Fellowship in America and gave a graphical exposition of its principles and work. The next three numbers on the program were more acts of vaudeville—musical minstrels: blackface comedians; and three acrobatic clowns. Earl E. Orner, past grand of A. T. Sherman lodge, and present Wilmette Village president, then gave a short talk, in which he lauded the work of the Order, and told of the relationship of Odd Fellowship to civic enterprises. The program was concluded by dancing, for which the I. O. O. F. orchestra furnished the music.

Last Thursday evening A. T. Sherman lodge initiated a class of candidates, who, with those who received the same degree the previous week, dates, who, with those who received will be given the First Degree by the celebrated staff of Three Links Lodge No. 812, of Chicago. This crack team is coming to Wilmette Thursday evening, November 17,

The Kenilworth teams entered in the Grammar school league contests have not fared so well and have lost a number of their engagements with teams from Evanston and Wilmette.
