

## ANOTHER NEW APARTMENT ANNOUNCED FOR GLENCOE

**Jevne Haugan and Associates to Begin Work in Two Weeks on \$125,000 Building on Hazel Ave.**

Announcement is made this week that in about two weeks a syndicate headed by Jevne Haugan, builder of the fine new apartment building on Linden avenue, Hubbard Woods, will begin the erection of a twenty-nine apartment building and business block in Glencoe.

It will be located on the north side of Hazel avenue, on a tract 75 by 132 feet, directly west of the Baumann Shoe store corner, and directly across the street from the Masonic temple and the William Edwards hardware store.

It will comprise twenty-nine apartments and one store and will cost, it is said, \$125,000 or more. All rooms will have outside exposure.

The building will be three stories in height, of brick and stucco, half timbered and of the English Tudor type. Robert Ostergren, of Chicago, is the architect. It is planned to have the building completed by May 1.

It is only one-half block east of this proposed new building, on the northeast corner of Hazel and Vernon avenues, where Frederick A. Cooper, of Wilmette, is to begin the erection of a \$250,000 apartment and business block, as soon as the final details of widening that section of Vernon avenue are completed.

**A. E. Wright Buyer of Watters' Home on Greenwood Ave.**

R. M. Johnson and company of Linden avenue, Wilmette, have sold the John Watters house at 1134 Greenwood avenue to A. E. Wright of Evanston, manufacturer of Wright's Salad Dressing. The residence is of brick construction and has seven rooms. John F. Hahn of Evanston represented the buyer. Mr. Watters has gone to California to live.

The sale of the six room kelastone bungalow at 1627 Lincoln street, Evanston, is reported by the same brokers. It was sold for J. B. Edwards, formerly of 105 Fourth street, Wilmette.

The eight room and two bath brick home at the northeast corner of Twelfth street and Greenwood avenue belonging to T. C. Heer, has been sold to W. C. Carlson of Chicago. R. M. Johnson and company were the brokers. The Heers have broken ground for a new home which they are building in Kenilworth.

R. M. Johnson and company have sold for Harold E. Spinney the lot 100x290 feet on the north side of Chestnut avenue between Eleventh and Twelfth streets. Fifteen feet of additional ground to the west have also been sold to the buyer, Edward W. Thomas, who is breaking ground for a large residence.

**Residence in Winnetka Bought by B. V. Kanaley**

Byron V. Kanaley of Cooper, Kanaley & Co., first mortgage investment bankers, has bought the twelve room residence at the northwest corner of Ardsley and Pelham roads, Winnetka.

**Paul Schroeder Office Moved to 418 Linden Ave.**
