

N. T. GRIDDERS TO MEET ROOSEVELT HIGH BOYS

Local Eleven Picked to Win Over Chicago Team on Home Field; Down Whiting 18-14

Stirring of the "dope-pot" over this afternoon's tilt between New Trier High school gridders and Roosevelt High of Chicago fails to bring forth any great amount of information regarding the invaders. It is known, however, that Roosevelt has been defeated by Austin, Lane, and Marshall, the latter defeat to the tune of 89 to 0. Considering these facts and past records, New Trier should have the edge upon the south-downers by a favorable margin and the tilt should prove merely a polishing game for the two big games with Evanston and Deerfield, scheduled for the coming weeks.

The line-up this week will probably be shifted considerably and it is considered probable that Coach Aschenbach will start either Fred Smith or Goss at full back in the place of Richards. Markley, half, who was injured in the Whiting game, may be superseded by Baker while Harwood may replace Bennett at center and Miller may take Rossiter's place at tackle. Sheldon and Hoagland, backfield men who were injured early in the season, will hold down the bench again this Saturday.

Win over Whiting

Over-confidence and the lack of a goal kicker has not affected Northwestern alone this season for in the Whiting game last week New Trier erred grossly in both of these departments and barely eked out a victory by an 18-14 score. Whiting on the other hand made good in both of their opportunities to score after touchdown. The lines were about even

throughout the game but New Trier early uncorked a brilliant aerial attack and made excellent gains in this manner.

The first New Trier touchdown came in the first period of play when, after a Whiting punt, New Trier marched through to the goal in two downs, McArthur carrying the ball over the line. In the second quarter Whiting equalled the score and then kicked goal and was leading 7 to 6. Shortly afterward Sullivan returned a Whiting punt to mid-field, and on the second down in resumed play a pass, Smith to Hicks, netted 25 yards and was followed by another New Trier goal when Baker crashed through and over the line.

About the middle of the third quarter, Bancheck, Whiting man, punted, New Trier fumbled and Jones crossed the line for another Whiting goal. In the same quarter Richards made a beautiful interception of a Whiting pass, lifting the ball fairly from the Whiting man's hands, and raced 60 yards for the touchdown that won the game for New Trier. No scoring was made in the final period.
