Large Number of N. S. Women Try for Hockey Teams

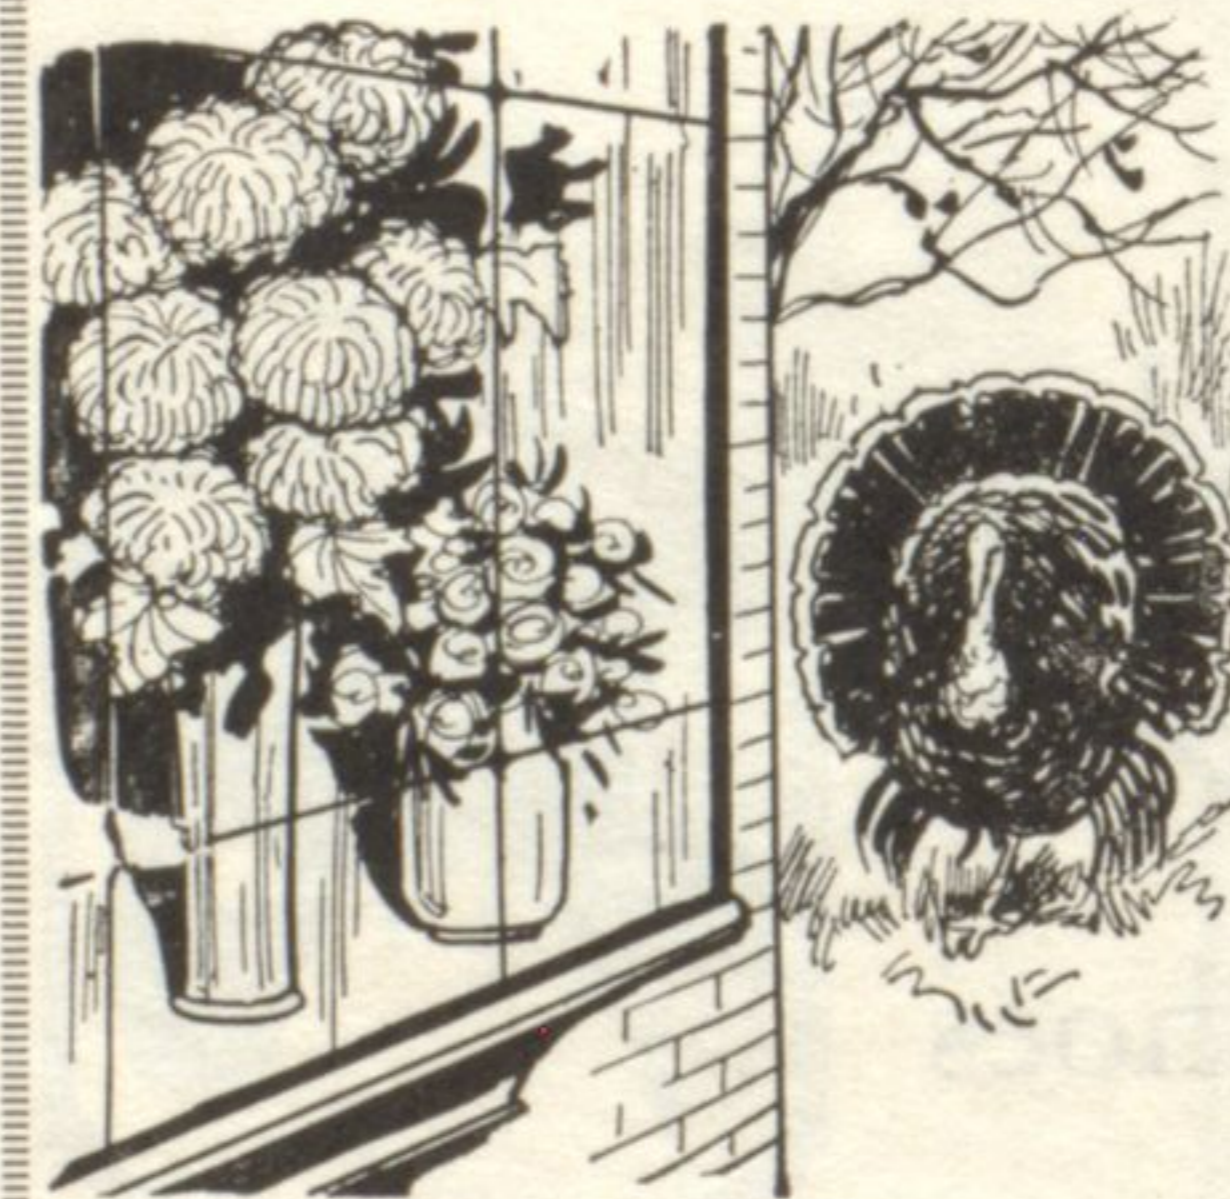

A number of north shore women played in the hockey tournament held at Lincoln Park November 5, trying out for the All-Chicago teams, which will be chosen November 19 to participate in a mid-west hockey tournament at Northwestern stadium November 25 and 26. The list of north shore players included Mrs. Henry Tenney of Winnetka, Miss Bernice Bulley of Kenilworth, Mrs. Hallett Thorne of Winnetka, Miss Elizabeth Lamson of Winnetka, Miss Peggy Waidner of Hubbard Woods, Miss Virginia Wallace of Winnetka, Miss Marian Montgomery of Winnetka, Miss Peg Harding of Evanston, and Mrs. Lewis Taylor of Winnetka.

The Winnetka White team will play the Wetomachek White team for the championship of the city this morning at ten o'clock at Washington Park. After the game, further trials for the All-Chicago teams will be held.

This will be the second mid-west tournament to be held in Chicago, and teams will participate in it from Madison, Urbana, Milwaukee, St. Louis, and Battle Creek. Last year a mid-west team was chosen to go to the National tournament at Baltimore, Md., and from that team two Chicago players were chosen for the All-American teams. Mrs. Taylor of Winnetka was chosen for goal, and Miss Waidner of Hubbard Woods was a wing on the reserve team. Mrs. Taylor and Miss Waidner are again trying for the Chicago team and with many others will hope to compete in the mid-west tournament. The National tournament this year will be played at St. Louis on the first week in December. Teams from the north-east and south-east will compete with the mid-west.

Mrs. Henry F. Tenney of Winnetka is chairman of the selection committee now considering the All-Chicago teams.

Tickets for the tournament may be obtained from any player on the team and also at Adams' drug store.

Flowers for Thanksgiving

A very important part of Thanksgiving festivities is something to please the eye in home decorations. As florists we can supply this need in cut flowers such as roses and chrysanthemums as well as in choice potted plants. Leave with us your order for floral and plant decorations early and we will deliver them on time.

MORE PARENTS TO GO TO SCHOOL THURSDAY

Fathers and Mothers of Seniors and Juniors at New Trier to Attend Classes

Parents of senior and junior students at New Trier High school will attend classroom sessions Thursday afternoon and evening, November 17, to obtain first-hand knowledge of the accustomed schoolday procedure. Classes will open at 2 o'clock and continue until 9 o'clock in the evening, with supper served in the school mess hall. At the close of the classroom sessions the parents will be addressed by Supt. Frederick E. Clerk in the Assembly room.

These meetings—one for parents of freshmen and sophomore students having been held a week ago—have proved remarkably successful. They are sponsored by the Parent-Teacher association of the high school and never fail to bring a large attendance of interested fathers and mothers.

Clerk to Give Talk

Superintendent Clerk, in his talk in the Assembly room, will discuss the problems relating to the adjustment of the high school course to meet college and business requirements.

The recent sophomore-freshmen parents' meeting recorded attendance of more than eighty percent of the families represented. There were, in addition to students, 790 parents at the supper served on that occasion.

"Such attendance, at relatively inconvenient hours," said Superintendent Clerk in commenting on this highly successful meeting, "certainly speaks well for the interest in education on the part of the people of the community."

P. T. A. Officers

Officers of the New Trier Parent-Teacher association, which sponsors these parents' meetings are as follows: Allen E. Philbrick, president; Mrs. T. E. Lannen, vice-president; F. G. Kane, secretary and freshmen chairman; Mrs. J. M. Sheldon, senior chairman; Mrs. Burt A. Crowe, junior chairman, and Mrs. W. R. English, sophomore chairman.

North Shore Men to Attend State Municipal Parley

North shore villages will be well represented at the fourteenth annual convention of the Illinois Municipal league, at Peoria, November 17 and 18.

The convention will be held at the Pere Marquette hotel. There are 367 member municipalities in the league.

Wilmette will be represented by Village Manager C. C. Schultz.

Village Manager H. L. Woolhiser and Village Attorney Frederick Dickinson are going from Winnetka.

Winfred D. Gerber, president of the Village board of Glencoe and Village Manager George R. Young, and perhaps other members of the board will attend from Glencoe.

At the Friday morning session Mr. Dickinson will speak on "Low Grade Gas at High Grade Rates."

There will be an address Thursday afternoon by State Senator Arthur A. Huebsch, former president of the Village board at Brookfield, and on Thursday evening the convention will have the privilege of hearing A. R. Hatton, professor of municipal government at Northwestern university and a former alderman in the Cleveland city council.

United States Senator Charles S. Deneen will also be one of the speakers at the Thursday sessions.
