KENILWORTH BOY DESIGNER

Eugene Cheeseman has had an unusual honor bestowed upon him at Brown university, where he is a student. Last year Eugene's roommate, Robert Johnstone of New York, a boy very active in the university, died suddenly. This year plans are being made for a very beautiful bronze plate to be placed in the college in his memory with appropriate memorial services in which the whole student body is to take part. Eugene Cheeseman has been asked to draw the original design for this bronze plate. He is very talented along artistic lines and will doubtless

take up some definite phase of art work when he completes his college studies.

Mr. and Mrs. Mark Cresap are in Atlantic City for a ten days' sojourn. Mr. Cresap has purchased the Maloney house on Warwick road in Kenilworth which he and his family will occupy during the construction of their new residence near the Indian Hill Golf club.

Miss Dorothy Pick of 445 Sheridan road is attending the Chicago-Illinois game at Champaign this week-end.

**Crippled Purple
Meet Indiana in
Homecoming Game**

With eight regulars on the hospital list, Northwestern will enter its homecoming engagement at Dyche stadium Saturday with Indiana far below normal strength. Justin Dart, 200 pound guard, is definitely out of Saturday's game and it is doubtful whether Holmer, star halfback, will be sufficiently recovered to get back into the fray.

Tiny Lewis, who was forced to leave the Purdue game with a bad bump on the leg, will be unable to workout this week in practice. His return to the game Saturday will depend upon how his injury mends during the next few days. Other Purple casualties include Captain Vic Gustafson, halfback; Frank Sinkler and Arnold Karstens, tackles, and Waldo Fisher, end.

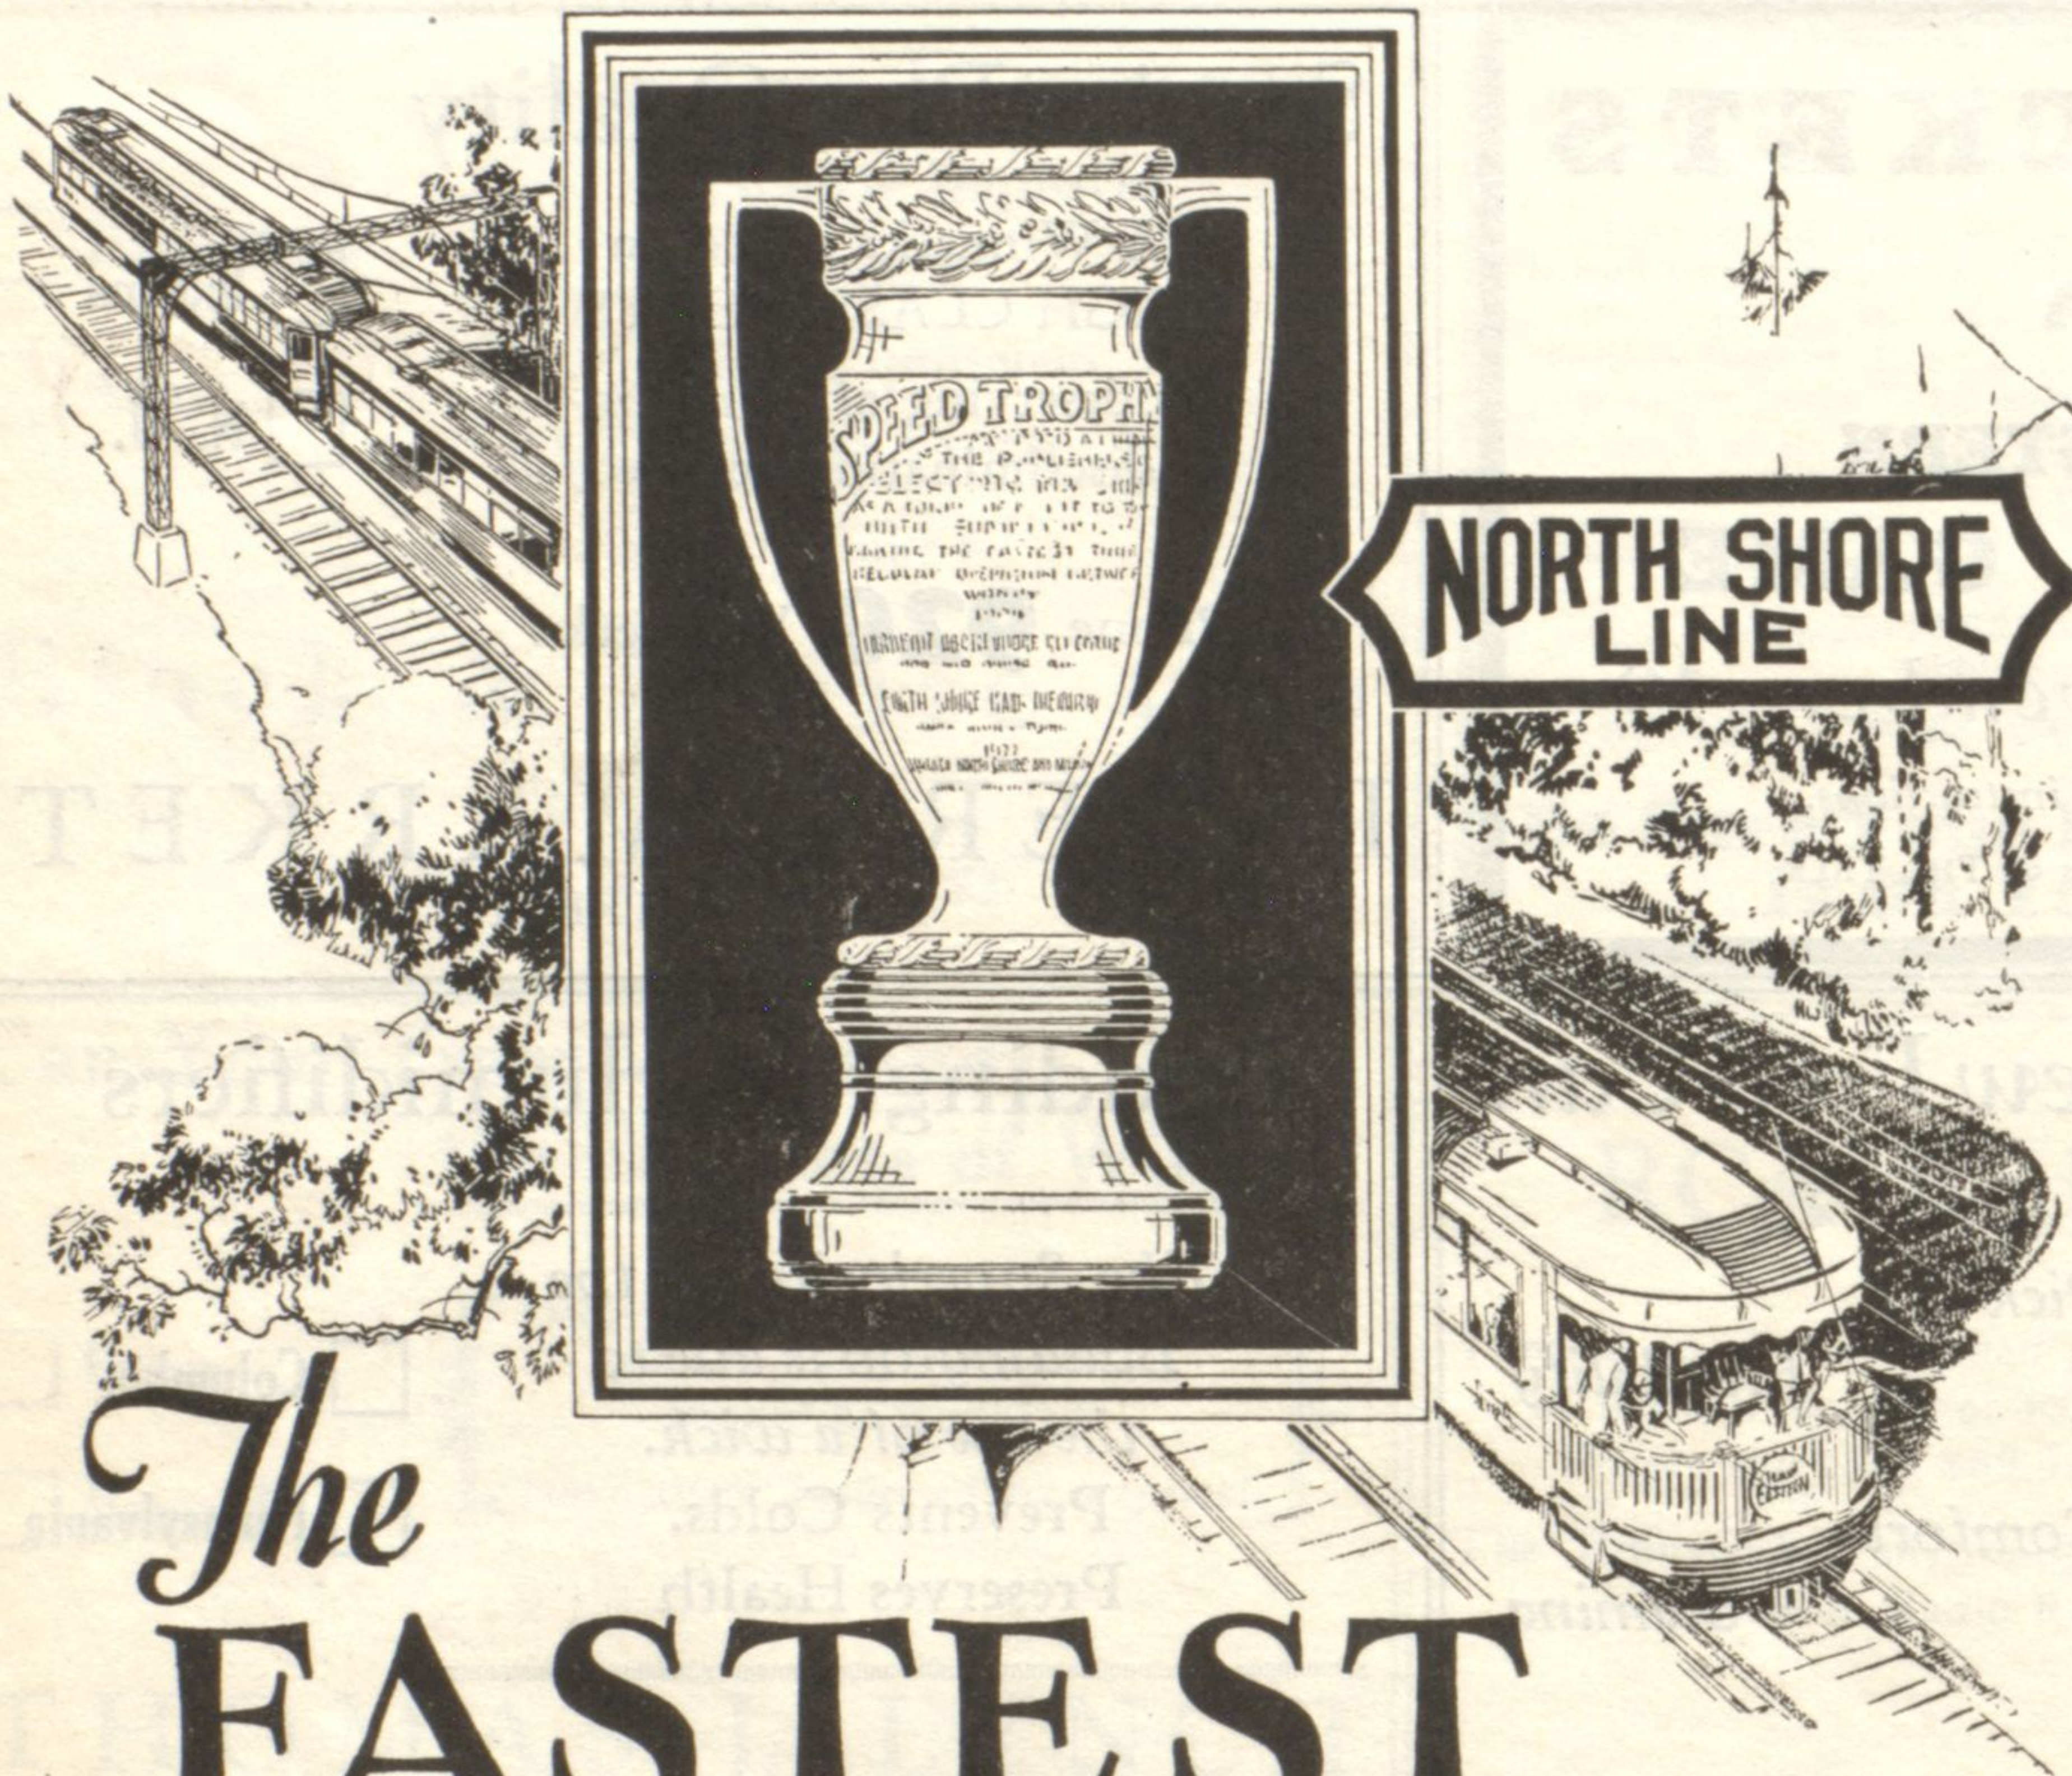

Despite this long casualty list plans are going forward for a rousing homecoming program which starts Friday night and terminates Saturday evening. A huge homecoming parade is the program for Friday night.

Northwestern's cross-country team, which last Saturday defeated Purdue, will meet Indiana's harriers Saturday morning. Judging of the fraternity and sorority house decorations will also be held at this time.

The annual Homecoming day luncheon sponsored by the Associate Alumnae association will be held at the Orrington hotel at 11:45 Saturday morning. Cheers and singing will mark the program. Reservations are in charge of Mrs. John M. Scott of Evanston.

GLENCOE MOVIES

Karl Dane and George K. Arthur in "Rookies" will be the bill for next Friday at the Glencoe Union church. The picture is a farce-comedy with the citizen's training camp as a background and George K. Arthur as the fresh city boy who joins the corps to the delight of the "regulars."

The
FASTEST
Electrically-Operated Railroad!

THE "Speed Trophy" pictured above has been awarded to the North Shore Line as the fastest electrically-operated railroad in North America! The award was made at the 46th Annual Convention of the American Electric Railway Association held during October in Cleveland, Ohio. Official records show that the North Shore Line operated its trains during the past year over 87.19 miles of track between Chicago and Milwaukee at an average speed of 53.9 miles per hour, not including stops, and 41.8 miles per hour, including 14 regular schedule stops.

Speed With SAFETY

In accepting the Trophy, Bernard J. Fallon, Vice-President in Charge of Operation of the North Shore Line, said: "The endeavor of transportation men today is to give their customers the utmost in speed and comfort consistent with safety in operation. That is what we have always aimed to do on the North Shore Line.

"At no time under the present management, however, have we subordinated the question of safety to that of speed and we never shall. The safety and comfort of the passenger is the first consideration."

**Beauty Lies in
Healthy EYES**

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with *Murine*. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.
