After a successful and colorful summer season Club Vista del Lago is closed during the resumption of building operations by the McLennan Construction company of Chicago. Greatly increased facilities are promised by the board of directors for an early date. The construction program has been planned to permit the use of the club later during the erection of the main building which is to contain 258 bedrooms, spacious lounges, ballrooms and dining rooms which will accommodate 1,200 guests.

L. L. Arms, managing director of Club Vista del Lago, announces a club report shows that during the season just closed a total of 16,876 persons swam and bathed at the club property, more than 30,000 were served in the dining room and the beach grill, and that seventeen successive open air dinner dances were held on the Esplanada without rain. The club register showed that 2,738 persons from various parts of the United States and abroad visited the club as guests of members, among them Gene Tunney, heavy-weight pugilistic champion, Misses Dorothy and Lillian Gish, Miss Beverly Bayne, Sir Thomas Lipton, Miss Mae Marsh, Richard Bennett, Owen Davis, Jr., and General Crowder.
