

To Conduct Evangelistic Services

Prof. A. L. Wedell of the Swedish Evangelical Free Church Bible Institute and Academy of Chicago, is to conduct a series of evangelistic services in the First Scandinavian Evangelical church, 886 Elm street, Winnetka beginning Thursday, November 17 and continuing to November 24.

Meetings are to be held every evening, except Saturday, beginning at 7:45 o'clock. All the meetings will be in the English language. The programs of these services will include special musical numbers. A cordial welcome is extended to all north shore residents to attend the services.

The First Scandinavian Evangelical church only recently secured the Rev. Roy A. Thompson as pastor and is looking forward to a church year of unprecedented activity. The special week of evangelistic services marks a movement at the very outset of the year to bring a message of great inspirational value to all those who are interested in the spiritual development of the church and the continued broadening of its sphere of influence in the north shore community. All villagers are invited to attend.

games, but the seniors' team was rather crippled, being minus many of its players, so the final score did not mean that the juniors had outplayed the seniors.

Business Girls' Club Holds Meeting Tuesday

Stunning stunts strikingly staged featured the frolicsome festivities fostered by the Business Girls' club at their weekly meeting Tuesday evening. It was a "stunt" party, held in the Camp Fire room at Community House. The composition of a poem, comprising sentences beginning with the letters of the names of the members, afforded much amusement, and there were many other "stunts." Next week the club is planning a progressive games party. Refreshments will be served. All girls in the village above high school age are invited to come.

Indian Hill Park Is Scene of Contest Between Winnetka and Wetomachek Aggregations

The Winnetka Women's team met the Wetomachek club team from the south side of Chicago, which is made up of girls from the Chicago Normal school and girls who have attended the Wetomachek Hockey and Sports camp at Powers Lake, Wis.

The players made a very attractive sight in their colorful jumpers and bright tams. The teams were playing in conjunction with the Chicago Field Hockey association. Each side had two teams. New Trier Girls

Enjoy Contests on Hockey Field

Girls' sports at New Trier have been started in earnest. The first week of competition comprised two hockey games. The juniors and seniors first teams tied 2-2, while the junior second team defeated the seniors 3-2. "Dick" Evers made both the goals for her team, while the goals for the seniors were made by Babe Whitsett and Alice Walton.

The juniors played an excellent game. They had good team work and all of the players did well. At the beginning of the second half the juniors took the ball and, displaying a good passing game, carried it down the field. This rush terminated in their second goal.

The seniors were not playing up to standard, their passing and team work not being as good as usual. Cecelia Baldwin was their outstanding star.

Eva Berndtstein was elected captain by the juniors, and Babe Whitsett by the seniors.

Both second teams played good
