

Travels Beat to 3 Score and 10 Mark; Retires Next Month

Officer John Dehmlow, who, for 28 years, with credit and honor to both himself and the village, has worn a star of the Winnetka Police department, is approaching two important epochs in his busy life.

On Wednesday of next week he will have reached the three score and ten milestone in his life's journey, and the close of this year will mark the completion of his official duties to the village, when he will retire on a pension.

Officer Dehmlow has been a resident of Winnetka 33 years. For thirty of those years he has been in the employ of the village, being associated with the street department prior to joining the police force.

For several years John Dehmlow has endeared himself to the children of Horace Mann school, at Elm and Chestnut streets, where, with faithful vigilance each morning, noon and evening of school days, he guarded the little tots from harm as they passed this busy corner to and from school.

His services, in late years, particularly, have also been of inestimable value to the department in his courteous, but efficient work in directing automobile parking regulations of the village.

Sticks to His Bike

Police cars and motorcycles have been added to the department equipment during John Dehmlow's connection therewith, but he has remained faithful to his bicycle, on which, to this day, he travels about on his varied duties.

Mr. and Mrs. Dehmlow reside at 892 Elm street. Their son, Walter Dehmlow, conducts the Winnetka Brunswick shop at 570 Lincoln avenue; Charles, another son, formerly with the Winnetka postoffice, also resides in Winnetka, as does their daughter, Mrs. John Dethloff, whose husband conducts a men's furnishings store at 786 Elm street. A third son, Edward, resides in Highland Park.

Winnetka Scout Notes

Andrew Anderson of Streator, Ill., district governor of the Rotary club, was present at a meeting of the Winnetka Boy Scouts last Thursday night and spoke briefly at dismissal. Officers and committee chairmen of the local chapter of the Rotary club were also present. Mr. Anderson reviewed the scouts in the dismissal assembly and ceremony.

No meeting of the Winnetka scouts will be held next Thursday because of the Thanksgiving holidays, it was announced this week by Chief J. W. F. Davies.

At the meeting of December 1, an initiation of all new second and first class scouts will be held. The meeting will start at 8:30 and will be held at Community House.

Because of the large number of members in Winnetka troop number 4, which now has a registration of nearly forty members, the troop is being divided and a new troop formed. The later organization will be known as troop 5. Scoutmaster A. Sherman Aldrich will continue as the leader of troop 4 and E. B. Brown will take charge of the new organization.

Hubbard Woods School P. T. A.'s Hold Meeting

Three room P. T. A.'s of the Hubbard Woods school held meeting this week. Miss Edith McKay's fifth grade association of which Mrs. J. Blaine Korrady is chairman, held a meeting on Tuesday. The following day Mrs. Claire Bernhard's sixth grade group, of which Mrs. Laird Bell is president, held a meeting. On Wednesday Miss Mona Graham's fourth grade association, of which Mrs. Herbert Wilds is chairman, also met.

Each of the meetings was well attended, over 19 mothers being present on Wednesday when the fourth grade association met. Tea was served in each instance and the children's work was discussed.

LET'S "TALK TURKEY"

Is your family one of the 300 or more who have already placed their order with us for

THANKSGIVING POULTRY

We are receiving all our Turkeys directly from the grower in North Dakota—all personally selected birds. If you want to be sure of getting one of these Turkeys—Order Now!
