### Thanksgiving

*For flowers that bloom about our feet;  
For tender grass, so fresh, so sweet;  
For song of bird, and hum of bee;  
For all things fair we hear or see,  
Father in heaven, we thank Thee!*

*For blue of stream and blue of sky;  
For pleasant shade of branches high;  
For fragrant air and cooling breeze;  
For beauty of the blooming trees,  
Father in heaven, we thank Thee!*

—RALPH WALDO EMERSON.

### Lectures Continue on Meaning of the Bible

Wednesday evening at 8 o'clock, Dr. Herbert Willett, minister of the Kenilworth Union church, continued his course of lectures, "The Making and Meaning of the Bible." This week the subject was "The Book of Esther: A Jew's Defiance."

Dr. Willett is a student of the Bible and Bible history, who is internationally recognized as one of the outstanding authorities on this subject, and who is a speaker of greatest charm and ability. Dr. Willett's sermon for next Sunday will be "A Nation's Gratitude."

It is announced that in the parents' and teachers' meetings of the church, which precede the Wednesday evening Bible talks at 7:15, the following subjects will be considered: "Religious Education and the Community," "Why Religious Education Today?", "Where Are We Going in Religious Education?", "Why Graded Curriculum and Worship?", "Why Dramatics, Projects, World Friendships and Service Programs?" and "Why Teach as the Master Taught?"

### Call Citizens to Express Views on Apartment Question

In the course of the last year, particularly, there has been a decided increase in the number of combined store and apartment buildings built or projected in Winnetka. Such buildings, under the Zoning ordinance, are restricted to the district designated as "C" Commercial.

Under the Zoning ordinance an apartment is defined as "A Household unit in an apartment house, or, above the first floor, in a building used in part for commercial purposes and suitable for occupancy by one or more persons." Another restriction is that "buildings used partly for residential purposes shall not accommodate or make provision for more than seventy-two (72) families per acre of land, nor make provision for more than a proportional number of families on a fractional part of any acre of land." It has been suggested that possibly some change in this intensity of use of land should be made.

This apartment development has naturally attracted considerable attention and it has been thought advisable by the Committee on Plats and Zoning of the Village council and the Zoning commission, to afford the people of Winnetka an opportunity to state their views regarding the regulations governing apartments. Accordingly an informal hearing will be held by these two bodies on Tuesday, November 29, at 8 o'clock, in the Council Chamber of the Village hall. All those interested in any way in the apartment situation are urged to attend so that the Council committee and the commission may have the benefit of their advice on the Village's policies in this connection.
