

"Worth-while" GIFTS

at the Evanston Branch of SPAULDING & COMPANY

A Specialized Service in Gifts for the Wedding the Anniversary and the great Festival of Christmas—the convenience of a neighborhood shop with the resources of a downtown organization.

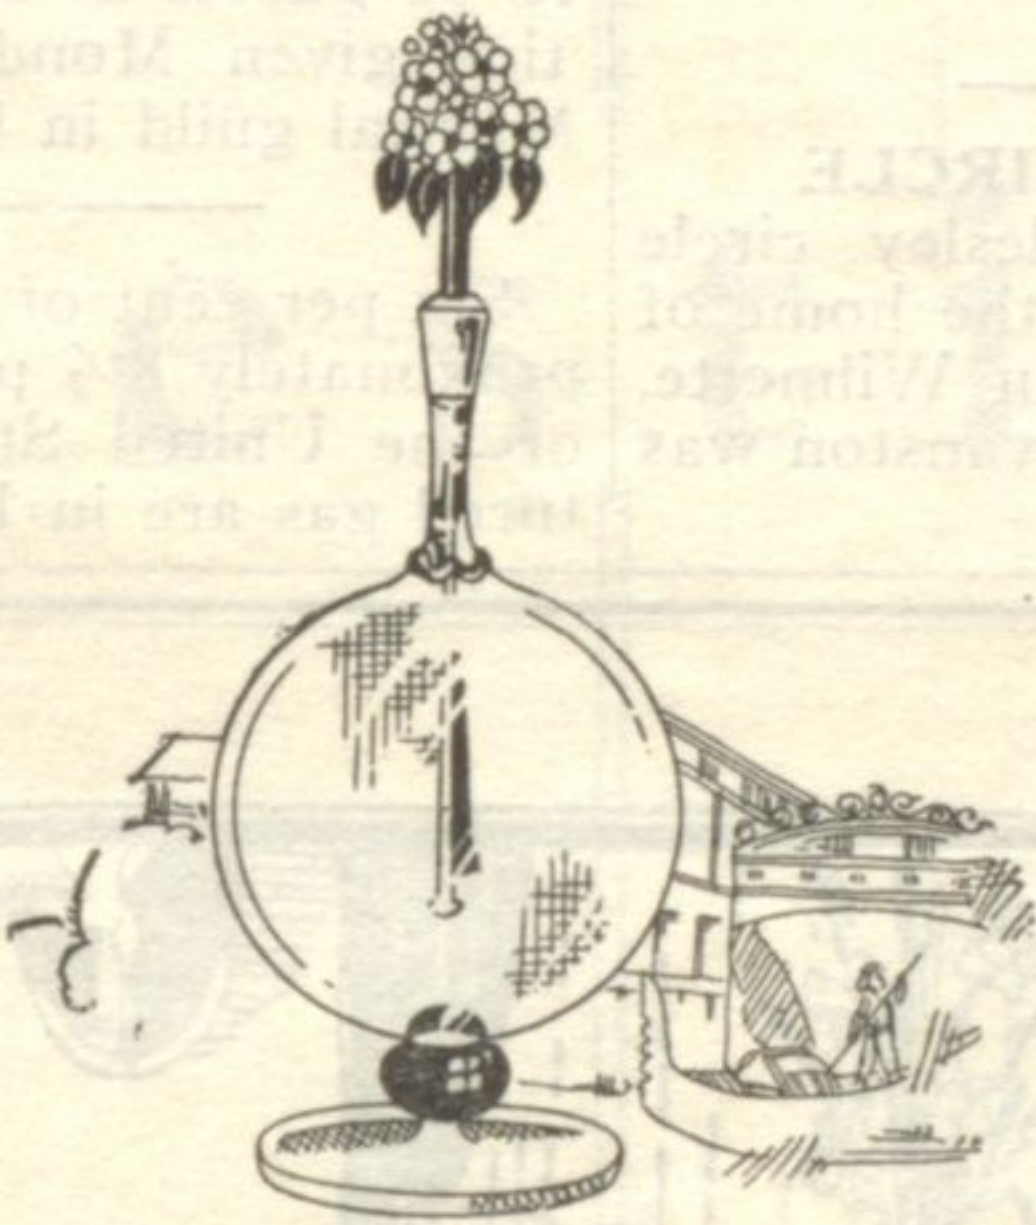

From Italy comes this Florentine Leather-covered Jar, the design is colored by hand. A sponge in the stopper makes it a unique humidor for cigars or tobacco.

France provides some effective Gifts in Bronze and Crystal ... decorative "plants" for the table and many other charming novelties.

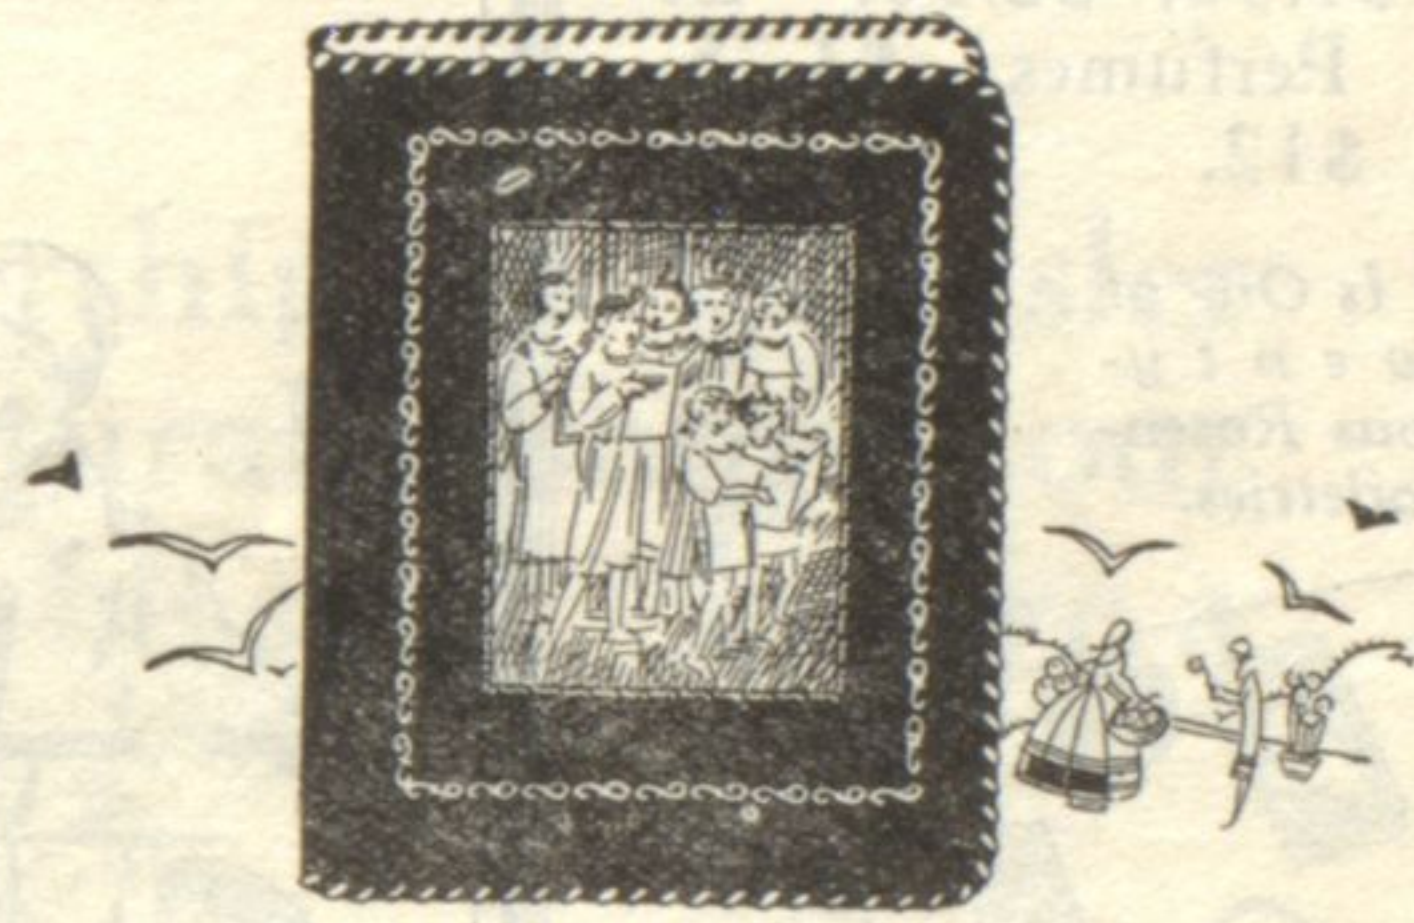

The decorative China of the English potteries always a welcome gift. The new designs and colorings of Royal Doulton have an especial appeal.

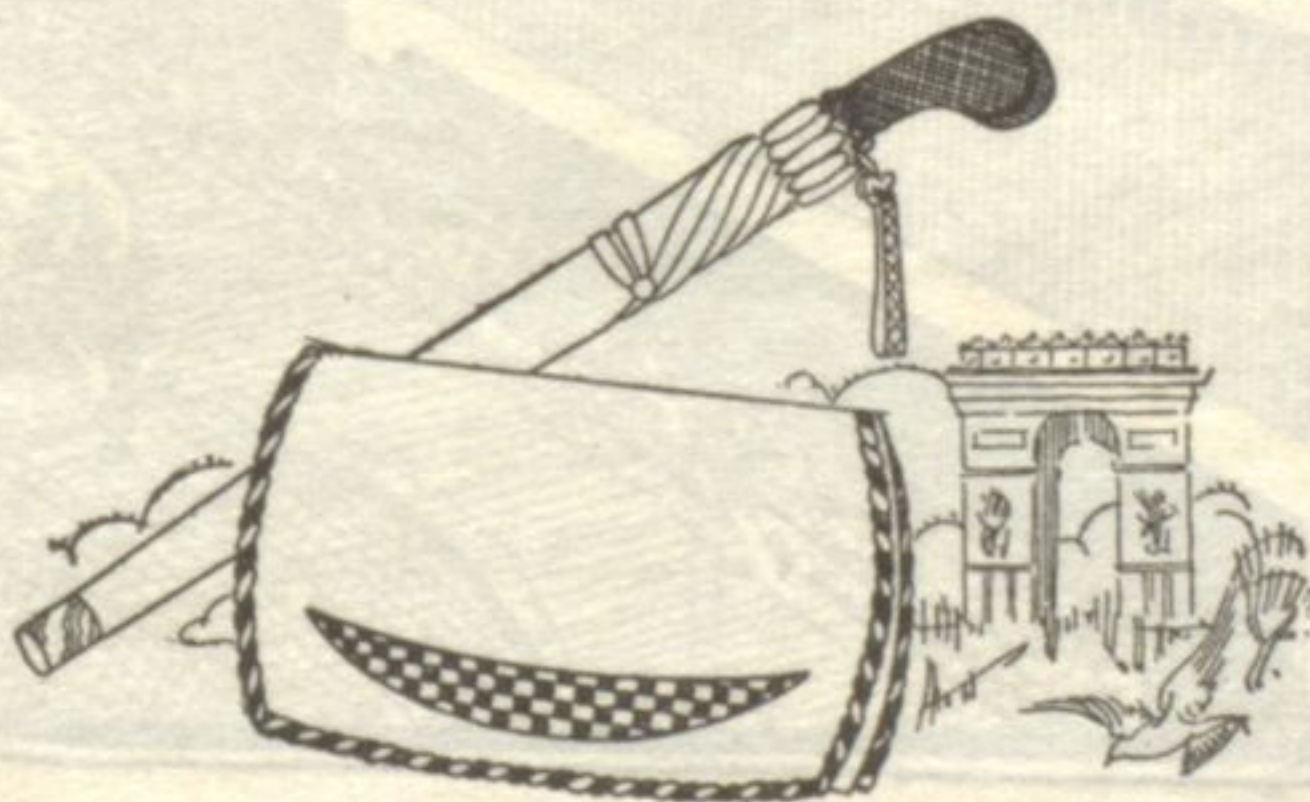

Venetian Glass of the kind that is seen at "Spauldings" provides Gifts of decided charm.

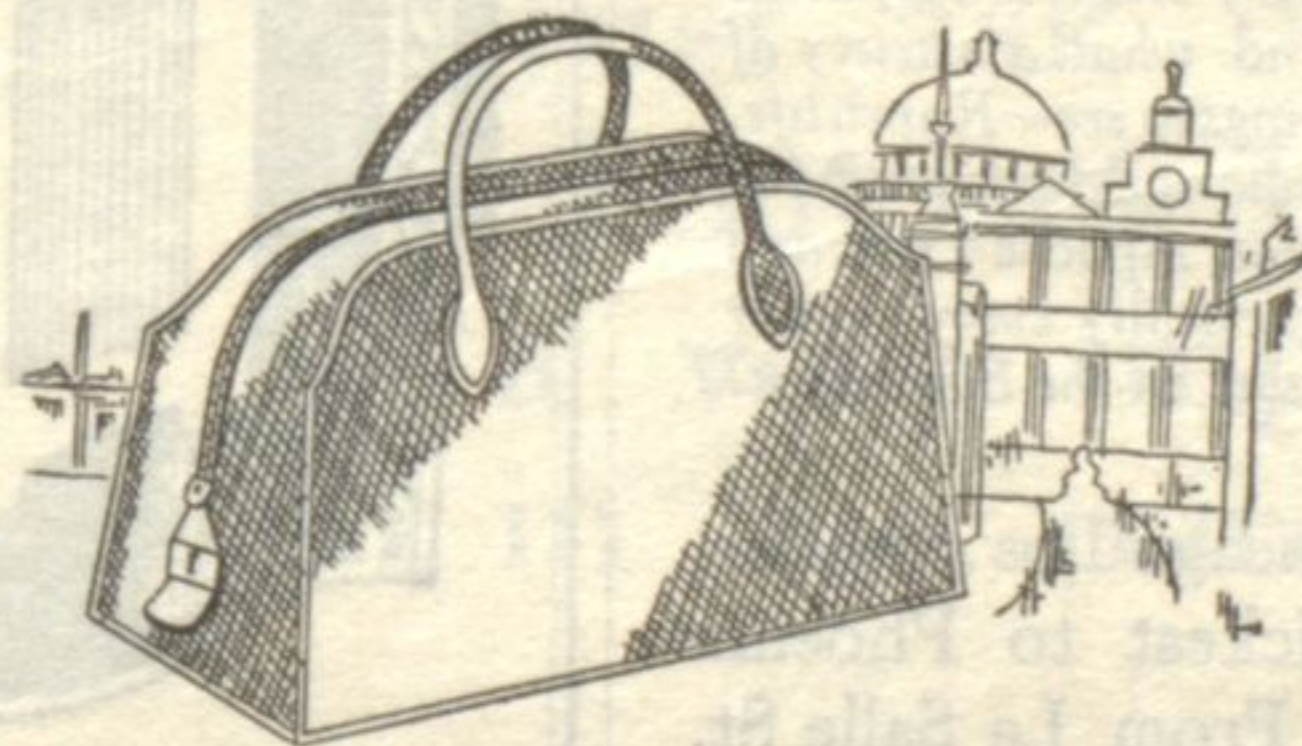

Lamps for the Living Room or Boudoir are made from distinctive pieces of China and Pottery.

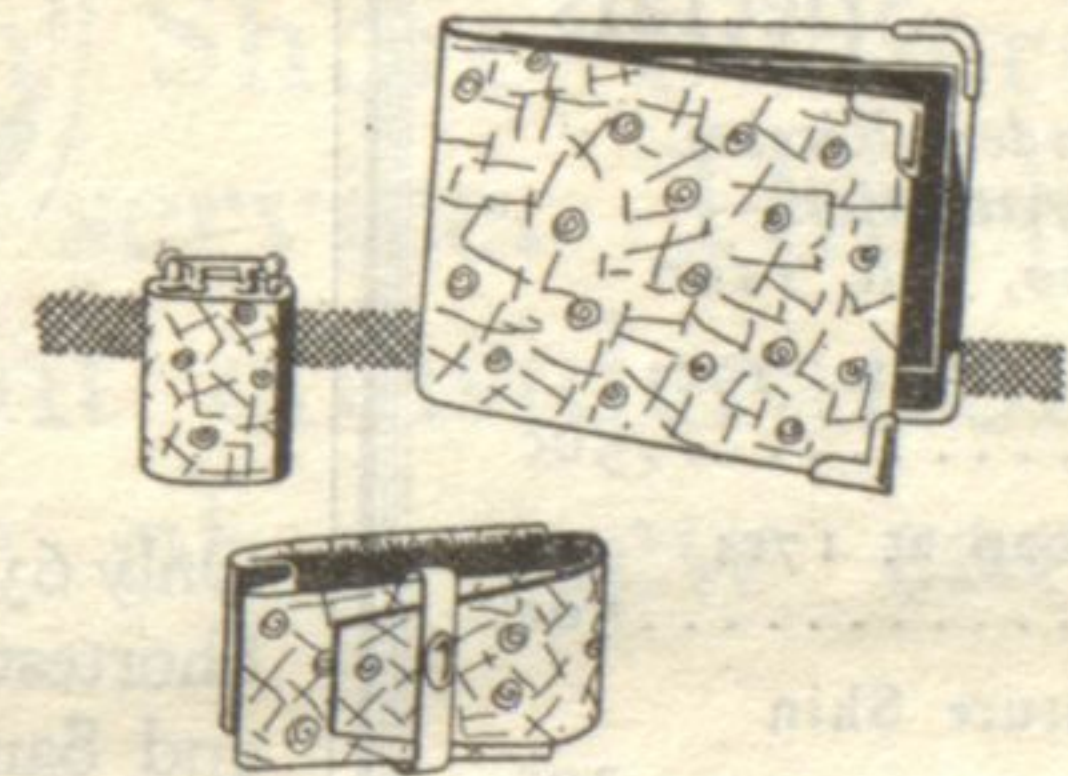

The beautiful hand illuminated Italian Learner's used in folios, Letter Cases, Photograph Holders, etc.

There is always a certain distinctive character to the Umbrellas and Bags one finds at "Spauldings."

The English Zipper Bags this season are shown in a variety of shapes and sizes.

Ostrich Leather, so much in vogue now, is used in the new bags and other "Things in Leather."

The Evanston Shop of Spaulding & Company is, in the truest sense of the words "A SERVICE BRANCH ON THE NORTH SHORE" for every need which can be met by the resources of our Chicago Store.
