

The Pup Is Furnace Man

## Gas for House Heating Offers Exceptional Value

**A**UTOMATIC Gas Heating for your home provides the most outstanding heating-service *value* that money can buy. Its clean, reliable comfort; its uniform, accurate temperatures; its completely attentionless operation, more than off-set any difference in cost.

With our special, low house-heating-rate, you can secure, at surprisingly moderate cost, the immaculate cleanliness and automatically controlled temperatures of Bryant Gas Heating; and such absolute freedom from furnace care and bother that you can "let your pup be the furnace man."

The actual dollars and cents cost of gas heating for any home can be very readily estimated. For definite figures for your home, just call our house heating department.
