Calls Meeting to Organize Towns on Grade Separation

President Henry F. Tenney of Winnetka has called a meeting of officials of north shore cities and villages from Evanston to Highland Park to be held at the Village hall, Winnetka, December 1, for the purpose of effecting a definite co-operative organization of the municipalities interested in grade separation problems, and to carry out immediate plans for securing action. Among the most feasible plans suggested and one generally favored, it is said, is for track elevation to Willow street, Winnetka and track depression from there north on up through Glencoe.

Miss Margaret Tufts, 449 Sunset road, daughter of Mr. and Mrs. Ben Q. Tufts, has returned from her trip abroad and has resumed her piano teaching in her home.

Who Gets Your Earnings?

Most everyone works hard enough for the money he or she is paid, but in so many cases they lose out because they do not realize that a definite plan should be made, and in turn, have the money work for them.

The successful person saves by a practical plan of daily thrift, and becomes in possession of a sum of money which is the result of bank deposits and their earnings.
