As a large percentage of the girls in the school play hockey and the women of the Skokie faculty were also served, the tea took on the proportions of a small festival and the appearance of a cafeteria as the event progressed.

### Art League Opens Oberteuffer Class Early in January

The North Shore Art league has decided upon January 18 as the date for beginning George Oberteuffer's series of painting lessons. The class will meet at Matz hall, Community House, Winnetka, every Tuesday and Wednesday any type of warm clothing.

Mr. Oberteuffer will be present Wednesday nights to criticize.

The class will be limited to thirty members, and all must be producing members of the North Shore Art league. Reservations are to be sent immediately to Mrs. J. W. F. Davies, 652 Lincoln avenue, Winnetka, or Mrs. Felix W. Boldenweck, 823 Humboldt avenue, Winnetka. At the end of the series, an exhibition of all the work of this class will be held. The class will be devoted principally to portrait work.

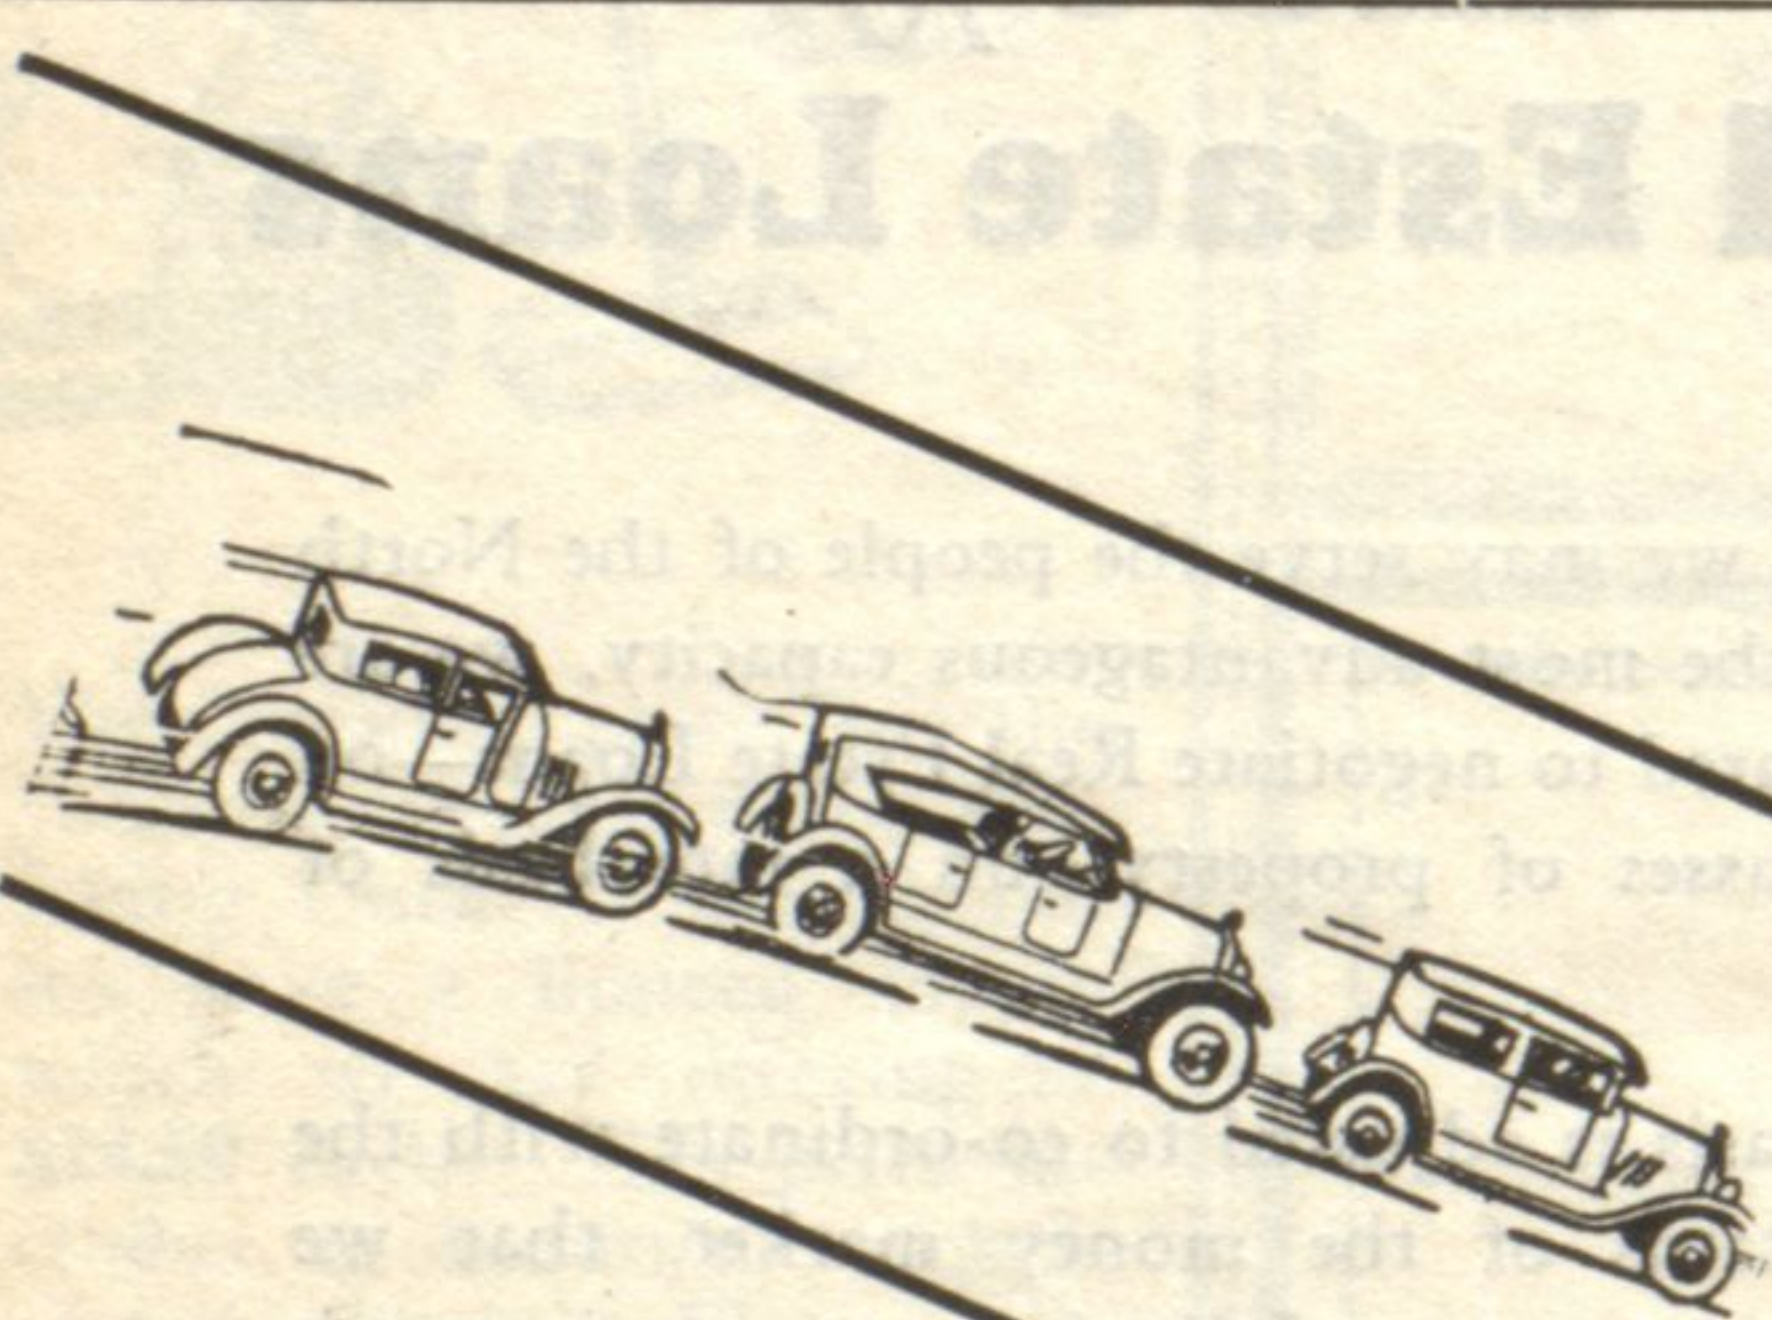

Mr. Oberteuffer, who is an instructor at the Art Institute, is considered one of the finest of Chicago artists as was evidenced recently when he and Mrs. Oberteuffer were permitted to occupy the Grover studio in the Tree studio building. It usually takes years to get into this building, and there was much controversy after Mr. Grover's death, to see who should be awarded his studio.

The league has accepted the invitation of the University guild to hold an exhibition at the Orrington hotel during the month of April.
