

## THE MEDITERRANEAN

Civilization has been inspired by Grecian art—by the genius of great men and the beauty of immortal ruins—the Areopagus, the Acropolis, the Parthenon, Temple of Zeus, the Theater of Dionysos, and many other ancient monuments.

All of this is included in a trip to the Mediterranean. Now is the time to draw up your itinerary. Let the North Shore Travel Service plan your trip with you.

If the Mediterranean trip does not appeal to you they will be able to give you whatever information you are seeking about other trips.

In full knowledge of any detailed information you may desire, and educated to know the best ways for your journey, there is a complete service here for you. Come in, for now is the time to make reservations.
