Training of Personnel

The training of personnel is one of the reasons for our confidence in the service we offer. Our assistants are qualified to handle every detail of the funeral service. We are proud of our personnel.

This staff has enabled us to extend our service in a manner that would not have been possible with fewer or less dependable assistants.

MILK WILL FORTIFY THEM!

IN late fall days before the mercury drops to zero, the days are often damp and chilly, just the days for severe colds and sore throats. Children especially fall easy victims to the at-

tacks of these diseases. Fortify your children against these treacherous attacks by giving them plenty of pure fresh milk.
