Coach Jackson held the tryouts for the squad last Monday, picking the fastest men in each event and eliminating the others. Each man's time was taken in his event thereby determining the fastest men in each event. While several of the good swimmers are either ineligible or unable to come out at this time, it is hoped that they will be out as soon as possible. Meets have already been arranged with Evanston and Englewood, both meets to be held in Lake New Trier. Other meets have not as yet been arranged, but probably will be by the end of next week. Squad practice is held every Monday, Wednesday and Thursday after school, while general swims are held on Tuesdays and Fridays at 4 o'clock. Although there are no exceptional swimmers, Coach Jackson has succeeded in selecting a bunch of very good material for the squad. The squad has as its manager, Allan McNaughton and Fred Favor as associate.
