

D. A. R. Chapter Hears of Work in Americanization

The Skokie Valley chapter of the Daughters of the American Revolution met at the home of Mrs. Grant Ridgeway, Cumberland road, Kenilworth, last Monday afternoon.

The usual procedure of exercise followed the formal opening of the meeting which consists of The Flag Salute, The Patriotic Prayer, The American Creed, and the singing of "America." Reports were given by the chairmen of the various committees, the most interesting of which at the time was given by Mrs. Harry Harrison on the work done through the Americanization departments. She told of the work done in the schools for the mountain-whites, which includes the following: Carr Creek Community settlement, Kate Duncan Smith school, Tamassee D. A. R. Industrial school, and the Crosse Nor High school. The Evanston chapter is devoting efforts toward the Crosse Nor school and the Daughters of the American Revolution in Oak Park toward the Carr Creek school.

Mrs. Harrison asks for aid, old clothing and donations of all kinds to put in the barrel which the Skokie Valley chapter will send some time in the near future to the Carr Creek school. Those having donations to make are asked to notify her.

Percy Echkart, who was scheduled to give the program of the day telling of his recent European trip and illustrating his talk with pictures he had taken, was ill and confined to his home, unable to be present at the meeting. In his place, the regent, Mrs. Cope, brought a friend, Mrs. Amos Walker, of Chicago, to speak before the members and their friends. Mrs. Walker chose as her subject her trip to the home of Thomas Jefferson in Virginia and spoke at length on the beauty of the place, the practicability of that early president, of his accomplishments, of the work now being done by the Thomas Jefferson Memorial foundation and closed with patriotic advice and enthusiastic thoughts for the members to carry home with them. Mrs. Walker is a woman of wide activities, being a member of the committee on Americanization of the Chicago chapter, a member of the committee for law enforcement of the Chicago Woman's club and a member of the board of directors of the Chicago Home for Girls.

There was a large attendance and a delightful tea followed the program.

The next meeting will be held the fourth Monday in January at the home of the vice regent, Mrs. E. D. Snyder, on Chestnut avenue, Kenilworth.
