Speaks at Evening Club

Dr. Arthur Morgan, president of Antioch college, will address the Evening Club of Winnetka at the home of Mr. and Mrs. Herbert Spiesberger, 990 Westmoor road, Winnetka, Wednesday, December 7. His subject will be "The Changing College."

Club Will Open to Public College President's Talk

Dr. Arthur Morgan, president of Antioch college, will speak on "What Change Should College Make in the College Students?" at the next meeting of the Winnetka Woman's club. The education committee, of which Mrs. S. George Levy is chairman, has charge of the meeting, to be held at 2:30 next Tuesday afternoon.

The meeting is to be open to the public, so that as many as possible may take advantage of this opportunity to hear Dr. Morgan. His talk will be of special interest to high school students and to parents who are contemplating sending their children to college. Dr. Morgan is a distinguished figure among college presidents. Antioch, one of the foremost progressive colleges, was the first to combine the learning of a trade as a means of earning a living, with a college education. Its example has been followed by many other institutes in the last few years. Dr. Morgan is a sound speaker with an interesting subject. He has been making a lecture tour throughout the East, and the club feels particularly favored to have him in Winnetka.

Neighbors Club Has November Program

Club Women Asked to Aid Post Office by Not Using Undersized Envelopes

BY V. H.

The Neighbors club met on Tuesday afternoon, November 29, in its rooms at the Kenilworth Assembly hall. Preceding the regular club program at 2:30 o'clock, there was a meeting of the philanthropy department, of which Mrs. Gilbert Kelly is chairman, for the discussion of the disbursements of their funds. Each year certain charities are considered and this is done in an open meeting of the department and later a list is presented to the entire club and is voted upon.

Among the preliminary reports was one by the corresponding secretary, Mrs. Helen Hepburn, from the postmaster-general urging women of the clubs to aid in the work of the post office by not using tiny and undersized envelopes. An envelope 2½ by 3½ inches is the minimum size. The mail service is greatly retarded when anything smaller is used.

Mrs. George Spangler, one of two delegates from the Neighbors to the meetings of the Tenth District Federation of Women's clubs, held in the Rogers Park Women's club early in November, gave a very lucid and exhaustive report of these meetings. She was more enthused than ever over the work done in the women's clubs and she cited a number of especially unusual and interesting things some of the clubs are doing.

The program of the afternoon, in charge of the department of art and literature, was introduced by Miss Barbara Erwin, chairman. Miss Maria Matyas, soprano, with a beautifully placed voice and charming, simple, naive manner, gave two numbers, one to open and one to close the program. The first was composed of a group of songs in English and the last, Hungarian Folk Songs, for which she wore native costume.

Dr. Davis Edwards gave a program of modern poems, illustrating with the poems he thought were the best illustrations of the best of our contemporary poetry. He is dean of the public speaking department of the Divinity school of the University of Chicago and was thoroughly conversant in his subject, handling the difficult word pictures with greatest ease and flexibility. He had a fine, resonant voice, which responded to every emotion. Among the poems given were Alfred Noyes' conservative, "The Highwayman"; Sandburg's poem-picture, "Monotone"; Alfred Kreymborg's "Idealists"; Vachel Lindsay's very modern description, "Santa Fé Trail"; James Weldon Johnson's negro crooning from "God's Trombones"; John Masefield's contemporary classic, "Cargoes"; and John Weaver's inimical poem of modern slang, "Mayme." It was a splendid program.

The next meeting will be on December 13, and a very special Christmas program has been arranged, including
