

Preparing for Christmas *Next Year*

MANY of you who read this were members of our Christmas Club just being paid out. You are prepared for Christmas.

We congratulate you on your foresight and on your accomplishment, and are happy to have played a part in making this Christmas cash-free, with no first-of-the-year "Please Remits" to look forward to.

Of course you will join our new Club, just starting. Why not also speak to some other member of your family or a friend? You can give them first-hand in-

formation as to the benefits to be derived. You will be doing much more than showing them the way to a better Christmas. Every Club member has learned that the setting aside of a small sum of money regularly is the only sure way to make your dreams a reality.

We set out here a list of the Clubs showing what you deposit each week and the totals at the end of fifty weeks when all deposits have been made.

... And don't forget, the bank will add interest at the rate of 3% if all deposits are made on time.

Four North Shore Women Hockeyites on All-Star Team

The north shore prides itself in having had four women placed on the All-American hockey teams after the games at St. Louis last week-end. Miss Peggy Waidner of Hubbard Woods won a position on the regular team, and Miss Marion Montgomery of Hubbard Woods, Miss Elizabeth Lamson of Winnetka, and Mrs. Lewis Taylor of Winnetka won positions on the reserves.

Miss Lamson is the youngest on the team, and is playing her first year in this fast competition, after playing on the All-Chicago and Mid-West teams.

All the north shore women who placed on the All-American teams were on the mid-west team. Others from the Mid-West team who won positions on the All-American are Miss Carol Rice of Madison, Wis., who will be on the regular All-American, and Miss Marjorie Harrowell of Chicago, Miss Alfreda Mosscep of Madison and Miss Margaret Meyer of Madison, who will be on the reserves. Mrs. Emmons Blaine of Winnetka was one of the judges of the games.

The teams were chosen after the games on Friday and Saturday, and the names were announced at a large banquet Saturday evening. The annual meeting was held after the banquet. On Sunday the All-American teams played, the first team defeating the second. The first team may play the English team next year, if the English team accepts an invitation to come to America.
