General Clinnin to Be Guest of Honor at K. of C. Session

Gen. John V. Clinnin, a leader in Holy Name society work, who saw plenty of action in the World war, will be the guest of honor at Tuesday's regular assembly of Ouilmette council, Knights of Columbus at Odd Fellow's hall, Wilmette.

Past Grand Knights' night was on the bill-of-fare for next week, but the absence from town of the chairman has necessitated a change in the plans of the lecturer.

Grand Knight Cunningham, in conjunction with Joe De Haye, the lecturer, has procured the pictures of the Dempsey-Tunney fight for showing after the business has been disposed. Following the film display the local knights will celebrate their first annual Christmas party.

The annual Christmas party for the children of the members will take place Tuesday evening, December 28, in the large I. O. O. F. hall. Plenty of gifts and entertainment will be given at that event.

Open Basketball Season for Girls at New Trier

Monday, December 5, was the day that girls' basketball started at New Trier High school. As a grand opening there were two faculty-student games. Those of the mighty faculty who played those poor midget members of the student body emerged victorious, but those who played the larger members of their pupils were sadly defeated. All those who desired to become members of the various basketball teams reported Monday and "signed up." Practices are being held, and sometime after the Christmas vacation teams will be chosen to represent the various classes, and competition between the teams for class championship will start.

Intoxicated Motorist Is Fined as Accident Result

Gus Anderson of Evanston was fined \$50 and costs in Police Magistrate Daniel M. Mickey's court this week following his arrest by Wilmette police for driving a car while intoxicated and for having run down J. B. Ranz, also of Evanston, when the latter alighted from his car which had stalled at the intersection of Ridge road and Lake avenue, Thursday evening, December 1. Mr. Ranz was taken to the Evanston hospital where it was learned that he had sustained no serious injuries.

Miss Betty Parker, daughter of the George Stanley Parkers of 200 Linden avenue, is expected home from Smith on December 18, for the holidays.
