**Dodge "Victory Six" Is  
Marvel of Chicago Expert**

The interest of the automobile world was focused on Chicago this week when President E. G. Wilmer, and other officials of Dodge Brothers, Inc., revealed to 500 Central West dealers an entirely new Dodge Brothers creation—the Victory Six.

The new car was privately shown for the first time in the ballroom of the Stevens hotel. Tremendous enthusiasm greeted the car, it was said. The dealers saw an entirely new departure in automobile engineering.

Radical improvements over present-day design characterize this latest product of Dodge Brothers, who today have built and sold more than two million motor cars.

In presenting the Victory Six, President Wilmer made it plain that no public announcement could be made at present of the price or details of the new car. He emphasized that the early production of the Victory Six will complete Dodge Brothers extensive program of preparation for 1928; and that the franchise of Dodge Brothers dealers throughout the world will, therefore, embrace the marketing of the full range of Dodge Brothers passenger cars, consisting of "The Fastest Four in America," the new Victory Six, and the Senior line.

**Kenilworth Youth  
Has Prominent Part  
in Princeton Show**

Attention is already drawn toward the college shows, several of which are coming to Chicago and the outstanding one of which is the Princeton Triangle show being given at the Auditorium theater, Chicago, December 30. Kenilworth has the honor of claiming the author of the play who is David Burnham, son of Mr. and Mrs. C. G. Burnham, 536 Roslyn road. The show is a musical comedy entitled "Napoleon Passes" and is excellent entertainment on its own merit, according to those who know. This event is looked forward to by both the younger and older sets of Chicago society and that of the north shore. The list of patronesses will include prominent society leaders.

Many of the Princeton boys residing in New Trier will soon be home for the holidays and will be backing their show. The boys in the show will go first to the Harvard-Yale-Princeton club to join the other Princeton men. From there they will all go to the University club for a dinner party. From the University club they will go to the theater to put on their performance. After the performance a ball will be given for them by Mr. and Mrs. Frank G. Logan in honor of their granddaughter, Miss Josephine Logan.

Bridge club parties were held at the homes of Mrs. James Prentiss and Mrs. Jules Peterson, both of Cumberland road, Kenilworth, on Tuesday of this week, the greater number of the bridge club members attending the League of Women Voters' meeting in the morning.

Mrs. C. J. Hoey of the North Shore Real Estate Co., 418 Linden avenue, Wilmette, resumed her duties as manager of that company this week following an illness of several months at the Presbyterian hospital in Chicago.

Among the recent arrivals in Kenilworth home is Charles Fleischman, who has been studying voice work and dramatics in New York City the past few months.
