Joseph Sears Pupils Sell \$1,087.89 in Xmas Stamps

Christmas seal sales made by the children of the Joseph Sears school up to Wednesday of this week totaled \$1,087.89, it was announced by Supt. E. L. Nygaard. This amount was divided between the rooms as follows: Miss Irene E. Morris' kindergarten, \$4.81; Miss Caroline Littler's first grade, \$10.50; Miss Edna M. Mayer's second grade, \$17.55; Miss Florence Tatro's second grade, \$15; Miss Nell M. Littler's third grade, \$16.89; Miss Bessie Stark's combined third and fourth grade, \$71.12; Miss Lillie T. Bitting's fourth grade, \$183.20; Miss Emma W. Billington's fifth grade, \$116.50; Miss Mollie K. Foreman's sixth grade, \$351.62; Miss Dena E. Thompson's class, \$87.59, and Miss Edith M. Stryker's grade, \$160.56.

It will be remembered that the Kenilworth school was awarded the prize for this district and was acclaimed the champion of the world for having the largest per-capita sale of Christmas seals last year. At that time in addition to the cup awarded they also received a Relief Bambino, made of plaster and having engraved upon it the figure of a child or bambino. It measures about three feet high by about two-and-one-half feet across and hangs in one of the halls of the school. The sale of seals last year amounted to \$1,654, which was an average of about \$5 per student, and is said to be the largest ever made in the world. The proceeds from the sales are turned over to the Chicago Tuberculosis Institute.

B. C. Hawkes of Kenilworth has recovered sufficiently from his recent and very serious illness to return to his office. He left for a brief trip to New York City on Tuesday morning.
