

Delightful

NO OTHER WORD quite so effectively describes the unusual

Sea Food Dinners

served each Friday evening at the Vera Megowen. You'll say so, too, when you have joined the happy groups of diners who make an occasion of this extraordinary weekly event.

Distinctly a treat for the most casual devotee of the fine art of dining—a revelation to those who deservedly regard well-served Sea Food as a delicacy of singular luxury—Vera Megowen Sea Food Dinners are notable for their fastidious observance of the dictates of "good taste."

All of which, of course, implies a service to match an exceptional cuisine, and surroundings to add the felicitous touch of repose.

Delightful!

Country Day Hockeyites Gain Honor Positions

Four North Shore Country Day school girls were awarded places on the North Side hockey team, composed of girls chosen from various schools on the north shore, which played in the school girl's inter-city tournament held at Dyche stadium, Evanston, last week. The eleven members of the team represented seven schools.

Sunday, November 27, the first team of the N. S. C. D. school was asked to take part in a practice game with the mid-west team of the United States Field Hockey association. The north shore girls were able to hold the women's team to a 1-0 score.

Mrs. E. H. Gillette, Noted Educator, Dies Sunday, Nov. 27

Mrs. Elizabeth H. Gillette passed away at the home of her daughter, Mrs. Charles T. Moon, 838 Lincoln avenue, Sunday, November 27, following a brief illness. Mrs. Gillette had not been in her usual health for some weeks, but was severely ill only since the preceding Wednesday.

Mrs. Gillette was born in Buffalo, N. Y., eighty-one years ago. She early took up teaching when it was a much less common profession for women than it is now and later, after the death of her husband which left her with four small children, she established a highly successful private school and became one of the city's leading educators. At the same time she carried on many church and civic activities. Few people have put their mark on so many growing lives and few have made their influence so powerful for good.

Since the coming of Mr. and Mrs. Moon to Winnetka, Mrs. Gillette has made her home with them and, although she has lived very quietly here, her fine mind, original wit and out-reaching friendliness have made her a large circle of devoted friends.

She was a member of the Winnetka Congregational church. Funeral services were held Tuesday afternoon in Buffalo where burial took place. Rev. James A. Richards conducted the services.
