Hear Reports

All committeemen of North Shore Scouting are invited to attend the annual meeting of the North Shore Area council of the Boy Scouts of America, to be held at the City hall at Highland Park, Tuesday evening, December 13, at 8 P. M.

A brief review will be made on the year's work which has just closed and the chairmen of various committees will outline their plans for the growth and improvement of Scouting during the new year.

The council meeting will follow a brief meeting of the Executive board at which time the election of officers will be held. The present officers of the North Shore Area council are Albert P. Snite, vice-president, Dr. Douglas Cornell, Dr. George Roberts, Maurice Mandeville, Roy W. Jarrett, Commissioner George R. Harbaugh, Treasurer Henry Fowler.

First Aid Contest

Each troop of the North Shore Area is getting its First Aid team of six men ready for a Council-wide First Aid Rally which will be held Friday evening, January 28. Problems will be given to the teams and the judges will decide on which group demonstrates the highest grade first aid work.

Sign Up for Winter Camp

It is not too late for Scouts to enroll for winter camp according to a bulletin issued from the Area Scout office last week. Two winter camps will be the feature of the December program.

What is the greatest thrill in scouting? Camping, of course! What is the most adventurous kind of camp-

ing? The answer naturally is "Winter Camping."

There is a great thrill when the snow is piled high outside and the logs are crackling on the fireplace and a fine gang of good scouts are gathered around you and someone is telling a story. Perhaps you are roasting apples as the wind blows around the corners of the logs outside—THAT'S winter camp!

A group of fifteen North Shore Scouts will leave on Monday afternoon, December 26, with Mr. McPeck, headed for winter camp at Wilderness, Michigan.

A larger group, probably twenty-four scouts, will leave the following morning with Mr. Grant for the greatest time of their lives at the "Cabin in the Woods." Reservations are rapidly filling up. If you are planning on goin, better get your registration in soon.

Plan for Anniversary

Eighteen years old! Scouting in America celebrates its eighteenth birthday during Anniversary Week, February 6th to 12th, 1928. Every troop will plan to make this week the biggest week of the scouting year. Many Father and Son banquets, parents' nights, window displays and things of an interesting public nature are being planned.

Of course, every scout will want to wear his uniform during the entire week and will want to have a part in making Scout Week an outstanding event in the new year. It is our chance to bring scouting to the attention of every person in our community.

RUBY'S SMART SHOES FOR WOMEN

A pretty Ruby semi-dress slipper. Unusually clever French pattern.

Styled of black Kangaroo, trim of black Lizard. Remarkable value.
