Christian Science Church

"God the Only Cause and Creator" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, December 4.

The Golden text was from Psalms 93:1, "The Lord reigneth, he is clothed with majesty; the Lord is clothed with strength, wherewith he hath girded himself; the world also is established, that it cannot be moved."

Among the citations which comprised the lesson-sermon was the following from the Bible: "Praise ye the Lord. Praise ye the Lord from the heavens: praise him in the heights. Praise ye him, all his angels: praise ye him, all his hosts. Praise ye him, sun and moon: praise him, all ye stars of light. Praise him, ye heavens of heavens, and ye waters that be above the heavens. Let them praise the name of the Lord: for he commanded, and they were created" (Psalms 148:1-5).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is individual, incorporeal. He is divine Principle, Love, the universal cause, the only creator, and there is no other self-existence. He is all-inclusive, and is reflected by all that is real and eternal and by nothing else" (p. 331).
