Sunday Evening Group of Young People Increases

The Young People's society under the auspices of the Kenilworth Union church, is steadily growing in popularity among the younger set in the village. At the weekly meeting on Sunday, November 27, Miss Berenice Cole of Essex road gave a very interesting talk, telling of her European trip in 1924, which she colored with many unusual anecdotes and observations. On Sunday, November 4, Dr. Herbert Willett, minister of the Union church, entertained the young people with a talk on "Tents and Saddles in Palestine," which he illustrated with lantern slides. The attendance at these meetings which are held every Sunday evening at 5:45 o'clock, is increasing each week and all young people who are interested are urged to come. A light supper is served before the program.
