 Is Good Enough!**

WHEN one is ill or injured, no ordinary car is suitable for transportation purposes, no matter how luxurious that car may be for those who are well. A properly equipped ambulance is the only suitable conveyance.

Our splendid designed, comfortable, limousine ambulance and skilled, uniformed attendants are always at your disposal. Your doctor will recommend this course.

GUARD YOUR HEALTH

At all times milk is a splendid food. In sickness and in health it contributes to the body and mind just those elements that are most needed. As a guard against

the attacks of disease there is no one food that is so useful to both children and adults as good fresh milk. Drink plenty of it at every meal.
