## Hubbard Woods Pupils Present Christmas Play

"The Christmas Spirit," a Christmas ritual presented each year by children of the Hubbard Woods school, will be given next Wednesday afternoon at 1:45 o'clock in the school auditorium. This non-sectarian ritual, expressing the spirit of Christmas giving and using a number of Christmas carols, has become a tradition in the school. Simple and impressive, its beauty has become such a delight to children and teachers that all were unanimous in choosing to present it again this season. Parents are invited to attend.

A summary of the ritual is as follows: The spirit of the tree has come from the forest. She tells the great dreams of the trees. Her own dream is that her tree shall become a Christmas tree and that she shall be transformed from a Dryad into the Christmas spirit. This may only come about through great gifts. She calls upon the Century to send its choicest gifts to the tree. The Spirits of Red Cross, Scouting, Campfire and Service bring their ideals to the tree.

These gifts are so great that the chimes ring and the star appears at the top of the tree. A Christmas spirit creeps into the Dryad's heart and she becomes the Christmas Spirit. Though the branches of her tree tremble with unborn light, the miracle is not yet complete.

She calls upon the children to bring their simple gifts, each of which is to make someone's Christmas bright. They carol as they lay their offerings at the foot of the tree. The children's gifts cause lights to flash out at intervals on the tree, thus completing the miracle. Thanks are expressed in song and all go their way caroling happily.

The cast of characters will be: The Spirit of the Tree, afterwards the Christmas Spirit, Jane Edwards; Spirit of Red Cross, Jean Dorothy Jacobs; Spirits of Scouting, Phillip Ogen and Betty Barr; Spirit of Campfire, Jane Sweet; Spirit of Service, Bill Paulson; and procession of gift bearers and carols, children of the school.

## Skokie Pupils Plan for School Christmas Program

Children of the Skokie school are planning a Christmas program in the form of carols and songs representing Christmas. The songs will be selected ballads sung mostly by the boys' and girls' treble glee clubs under the direction of Lawrence Yingling, musical director. Occasionally, however, the general assembly will join in on well known Christmas carols.

Some form of program is presented each year at the school, taking the form of either a musical or dramatic presentation.
