### Firemen Extinguish Blaze in Newly Erected Garage

A beaver board covering over a newly-made cement garage floor attached to the new residence being erected on Church road near Center street, was discovered on fire by Sergeant Ed Cummings and Patrolman Carl Bishop of the local police last Saturday morning, at 1:30 o'clock. The blaze was quickly extinguished by the Fire department. It originated from a heater being used in connection with the cement work.

### Woman's Club Has Delightful Program of Christmas Music

Those who did not find the opportunity nor have the inclination to go to the Woman's club on Tuesday afternoon of this week, missed one of the most delightful programs that it ever has been the writer's privilege to hear at that club.

The program was in charge of Mrs. Harry Street, a member of the music committee of the Winnetka Woman's club, and was given by the Winnetka Music club. The club room was most effectively decorated with Christmas trees and lighted candles, which made a beautiful setting for the musicale.

The program opened with a two-piano number, arranged for eight hands. This was the Hallelujah chorus from "The Messiah," by Handel, and it was played by Miss Clara Harsh, Mrs. Roland Whitman, Mrs. Percival Hunter, and Mrs. Arthur Dean. It was well played and was greatly enjoyed by the audience who, however, had been asked not to applaud until the end of the entire program.

This was followed by the entrance of the members of the Winnetka Music club, singing a Christmas carol. The rest of the afternoon was given over to the singing of many Christmas carols and songs, some by the entire group, several by a trio composed of Mrs. Warner Robinson, Mrs. George Frazer, and Mrs. John Hansel, and one quartet by Mrs. Robinson, Mrs. Frazer, Mrs. Hansel, and Mrs. J. Preston Burlingham.

There were two solo numbers beautifully sung by Mrs. Fitch S. Bosworth. These were:

1. When Jesus Was a Little Boy .... Garnett
2. Candlelight ..... Rogers

It was most apparent from the many remarks and conversations heard around the tea table later, that the entire afternoon was thoroughly enjoyed and appreciated by everyone.

### Mission Board Asks U. S. Policy Change in China

Three members of the Winnetka Congregational church were in Boston last week presenting to the Prudential Committee of the American Board of Missions the resolution recently passed by the Congregational church of Winnetka asking that body to seek the co-operation of other missionary boards in requesting the State department so to modify its policy that missionaries in the inland parts of China who desire to do their work only with diplomatic protection and entirely without military protection may be allowed to do so. The church was represented by Stanley S. Simpson, William Ayer McKinney and the Rev. Paul R. Reynolds. Some reports of the result of this conference may be looked for in a short time, it is said.
