

A Merry Christmas

Christmas is the one day in all the year when the fireside is supreme. Its beacon lights outshine all rival influences to rouse the spirits and guide the wanderers home. To those who are gathered around the family hearthstone on this jovial occasion, we extend our wishes for a Merry Christmas. For whatever assistance we may have given in the past 43 years in establishing the thousands of firesides that now glow brightly on Chicago's North Shore, we are truly thankful.
