"Good to the last drop"

"JUST like some great artist mixing colors!" So one woman described it—this little known art of coffee blending.

Hundreds of kinds and grades of coffees from many tropical lands to choose from—to be combined and recombined!

It was a flavor no one had ever tasted that a southerner created years ago in the old South. Coffee blended with coffee—taste with taste. A special shade of mellow richness that has today brought his blend such fame as never before came to a coffee.

It is the only one ever to be approved by critical men and women throughout the entire United States. Maxwell House is by far the largest selling coffee in all America.

A new experience in good living awaits you in that touch of extra richness—in the smooth, full-bodied liquor of Maxwell House Coffee.
