

Find out how
You Save Money
burning a clean fuel

Thousands of families saved money when they first burned Chicago Solvay Coke. Because they paid much less for it per ton than for hard coal.

With Chicago Solvay Coke you pay a minimum cost for clean heat. There's no smoke and no soot. Only one-third the ash, compared with hard coal.

This dependable fuel will prove to be easily the most economical for *your* home. And it makes a very real difference what you spend for winter heat.

Yes, there's a correct size for your hot water boiler, hot air furnace or stove. Let a Solvay Service Man show you how to heat your home at the least possible cost.
