No Ordinary Car Is Good Enough!

WHEN one is ill or injured, no ordinary car is suitable for transportation purposes, no matter how luxurious that car may be for those who are well. A properly equipped ambulance is the only suitable conveyance.

Our splendid designed, comfortable, limousine ambulance and skilled, uniformed attendants are always at your disposal. Your doctor will recommend this course.

SOUND ADVICE FOR 1928

ALL good parents will make it their rule in 1928 to feed their children plenty of the best milk, and the purest cream and other dairy products.

The bodies of growing children prosper on pure,

fresh milk, milk that does not have to be boiled in order to be healthful. Follow this advice from today to December 31, and your family will thrive.
