

VOTERS' LEAGUE HOLDS DISCUSSION ON HEALTH

Speakers Outline Social Hygiene and Public Health Program at Luncheon Meeting

The Social Hygiene and Public Health program of the Winnetka League of Women Voters, given at the luncheon meeting last Monday in Rudolph Matz hall, was pronounced the best discussion of these subjects since the League has featured this work on its programs.

Charles B. Miner, superintendent of the "Committee of Fifteen" in Chicago, spoke on the legal phases of Social Hygiene work. His remarks were most encouraging to the women of the league. As an organization for the education of the women voter it is good to feel that the upward trend of public opinion has made conditions impossible for the red light district of not so many years ago. The league's aim, which is to create an intelligent politically educated woman vote, should help in lifting still higher the standard of that public opinion. His talk brought forth many questions, which added to the interest of the meeting.

Dr. Orvis Outlines Program

Dr. H. A. Orvis, health officer for Winnetka and Kenilworth, explained the health program which he is attempting to carry out in these villages. He expressed pleasure at the co-operation of the community, which helps his work and which all Winnetkans hope to give.

Mrs. Gross T. Williams, Winnetka League chairman of Social Hygiene, arranged the program and introduced the speakers with an explanation of the Social Hygiene program.

At the Board of Directors' meeting held before the general meeting, a discussion of the proposed Primary Bill, which will be submitted before the special session of the State Legislature, was led by Mrs. George B. Massey, the committee on Efficiency in Government. The board went on record as favoring a September primary rather than a July or August one because of the difficulty in getting out the vote in a vacation period.

Mrs. Hiram D. Frankel, chairman of the Committee on the Legal Status of Women, explained the Blanket or Equal Rights amendment to the Federal Constitution, which is being proposed by the National Woman's Party. This amendment is vigorously opposed by the National League of Women Voters and other prominent women's organizations in that the amendment would remove all laws governing industrial work for women which many states now have for the purpose of safeguarding the health of women and the welfare of the coming generation.

Mrs. Dwight P. Green gave a report on the stand taken by Supt. Carleton Washburne and the faculty of Horace Mann school in regard to the proposed broadening of the streets bounding the school. The school board has taken the same stand, which is in opposition to the proposal, as they feel that it is detrimental to the school children and school.

Mrs. Van der Vries, president of the League, appointed a nominating committee composed of Mrs. John R. Montgomery, chairman, Mrs. Edwin E. Brown and Mrs. I. M. Portis. This committee will prepare the list of officers to be elected at the annual meeting in April.

Mr. and Mrs. John O'Connor of 149 Kenilworth avenue left Thursday for New York and will sail today on the Majestic for Europe.

Dr. Ralph Hamill to Talk to Parents on "Discipline"

On Monday afternoon, January 16, at 4:15 o'clock, Dr. Ralph Hamill will speak on "Discipline," in the assembly room of the Horace Mann School, under the auspices of the P. T. A. All parents are cordially invited to attend. Dr. Hamill's talk will be preceded by grade meetings in each schoolroom at 3:30.

On the evening of January 30 at 8:15 Hubbard Woods school will hold open house to all Winnetka parents. Perry D. Smith of the North Shore Country Day school will speak on the Locarno Conference, and Erskine Wilder will sing. Hubbard Woods parents will visit their children's rooms between the hours of 7:40 and 8:10.

As this is to be a joint meeting of the four schools, Greeley, Horace Mann, Skokie and Hubbard Woods, a large audience is hoped for.

Otto Kastrup Passes Away Following Stroke

Otto Kastrup, Jr., residing at 1096 Cherry street, passed away at the family residence last Monday following a stroke of apoplexy. Services were conducted from the home on Thursday afternoon with burial at Forest Home cemetery. Mr. Kastrup is survived by his wife, Mrs. Emelia Kastrup, and two children, Jean and James.

Oliver Barrett, Abbottsford road, Kenilworth, was host to twenty-four members of the Caxton club of Chicago, last Saturday afternoon. This club is composed of men very prominent in the business centers of Chicago. They were entertained for luncheon and later enjoyed Mr. Barrett's noted collection of antiques, first editions, and valuable manuscripts.

Enhance Your Charm!
