

NEW TRIER CAGERS WIN OVER PROVISO

Heavyweights Win 33-22 in Fastest Game of Season; Lightweights Victors 32-8

By Hal Burnett

One thousand spectators witnessed the fastest basketball game played on the local high school floor this season when the New Trier heavies defeated the Proviso five 33 to 22 last Saturday night. From the first whistle to the final gun both teams maintained a grilling pace that called for every ounce of endurance.

Spurred on by their loss to Oak Park the night before the Maywood heavies "rushed" the ball from the toss-up and scored four points before the local five awakened. Then Wally Miller and Maurice Nelson came back with baskets that tied the score and, unable to maintain their own pace, the Proviso quintet dropped behind one basket as the quarter ended 8 to 7. In the second quarter Nelson and Fleinge each dropped two baskets while Sheldon, Miller and Schultz scored once each.

Proviso Weakens

When the second half started the Proviso team seemed to be weakening, caused somewhat perhaps by the hard game of the night before, and with their opponents slowing in their onslaught, the Grey-Green aggregation had little difficulty in getting a ten point lead and holding it throughout the last quarter.

Maurice Nelson scored almost half of the New Trier points, having by the final whistle dropped in seven baskets and two free throws. Steve Plowman, right guard, held the Proviso score down by stopping the forwards, Wroecke and Rassmussen, and forcing the Proviso guards and center to take long shots with little success.

Fleige and Schultz were the principals for Proviso, the former scoring four baskets and the latter three.

Offer Little Resistance

In the lightweight game, Saxton and L. Smith each contributed five baskets to lead New Trier to a 32-8 victory. The Maywood feather team offered little resistance and the Grey-Green outfit easily scored 14 points before the visitors made a free throw. The first half ended 16 to 2. Shortly after the opening of the fourth period the second and third teams were run for New Trier and finished the game.

Stan Smith, New Trier guard, contributed freely to the visitors' downfall by exceptionally close guarding and fast floor work.
