

J. Glenn Wray, Jr., son of Mr. and Mrs. J. G. Wray of 625 Washington avenue, Glencoe, formerly of Wilmette, is ill with scarlet fever at the Evanston hospital. He is recovering nicely. His sister, Miss Ethel Wray, has been released from quarantine and has returned to her classes at the University of Wisconsin.

More people in Illinois are engaged in agriculture than in any other occupation.

The first Swedish Methodist church in the world was built at Victoria, Illinois.

PLAN MASQUERADE BALL

The Czecho-Slovakian club of Winnetka will give its annual masquerade ball on Saturday evening, January 24, at 8 o'clock, at Community House. Prizes will be given for the three costumes judged best. Miss Marie Suchy of Highland Park is in charge of the dance.

Mr. and Mrs. Hugh Foresman, 515 Essex road, Kenilworth, have returned from a three months' trip in Europe. Their daughter, Patty, who was with them, is staying in Paris for the winter. She plans to return to the north shore in the late spring.

Dorothy Ross Affiliates With Walter P. Smith Co.

Dorothy Ross of 1027 Meadow road, Glencoe, has joined the sales force of the real estate firm of Walter P. Smith & company, 332 Park avenue, Glencoe. Mrs. Ross was formerly associated with the Heinsen Realty company and Smith & Brown, Inc., in Winnetka.

After an extended absence the Charles Holmes family has returned to Kenilworth, again to take up residence in a house long closed. Mr. Holmes always has been active in the Union church Sunday school.

"Dick Whittington" Is Next Offering at Children's Theater

Two highly popular plays will make up the bill for the next Children's theater production, to be given Feb. 4 and 11 at the Haven school theater.

"Dick Whittington," a pantomime, by Moritz Jagendorf, will be played entirely by children from the dramatic department of the Miller school, directed by Miss Evelyn Brown. "The Three Spinners," a play by Florence Kiper Frank, will be given by a cast chosen from the Thalian Dramatic club of the School of Speech and the dramatic department of the Haven upper and lower schools, directed by Miss Winifred Ward.

The story of the boy for whom the bells of London rang out, "Turn again, Whittington, thrice lord mayor of London," has always been a favorite with children, and this elaborate pantomime, which has been set to music, tells the story with all the interest and with more detail than any other version which could be found. There is, besides, much good comedy in it, some clever dancing, and many and varied characters.

The second and longer part of the program will be a delightful play based on the old tale of the girl who must spin a great room full of flax into cloth in one night. The story is a parallel of "Rumpelstiltskin" in which the girl—Joyzelle is her name—is saved by the three weird spinners.

Following the policy of the Children's theater, this second production will be a marked contrast to "The Make-Believe Gentleman," its first play, in that its appeal is to children's inherent love for fairy tale lore.

Girls' Athletic Program Popular at High School

According to Miss Fogg, head of the girls' gymnasium department at New Trier High school, the new system of girls' basketball is working out splendidly. The practice teams play according to schedule, and when the schedule has been completed class teams will be chosen. It is expected that the interclass tournament for first, second, and third teams will begin about the second week in February.

Adviser room meets in swimming will also start about the second week in February. Meets will not, however, be held until after the start of the second semester. Only those girls who have been in the tank at least eight times before the adviser room meets are eligible to try out. From those placing in these class meets, teams will be chosen for those to participate in the inter-class meets.

Announce Field Museum Guide Lecture Subjects

Guide-lecture tours at Field Museum of Natural History for the week beginning Monday, January 23, will open with "Meteorites and the Moon" and "Uses of American Trees," at 11 a. m. and 3 p. m., respectively, on that day. On Tuesday at the same hours subjects will be "Burial Customs of Ancient Italians, Chinese and American Indians," and "Geological History of Chicago"; Wednesday, "Big Game Animals" and "People of the North"; Thursday, two general tours of the museum; and Friday, "Sugar and Spice" and "Shepherds of America and Asia." These tours of museum exhibits under guidance of staff lecturers are free. Parties assemble inside the north entrance.

Mrs. E. A. Meyers of 812 Foxdale avenue left Wednesday for Miami Beach, Fla., to be gone until April or May. She was accompanied by her three sons and will be joined by Mr. Meyers early in March.

A BRIEF HISTORY OF A GREAT ACHIEVEMENT

IN THE Spring of 1925 Dodge Brothers undertook an important and gigantic task — which is now complete.

Since its inception in 1914 Dodge Brothers had specialized exclusively in a four-cylinder product. During thirteen years more than two million units of that product were sold to America and to the world.

It is unnecessary here to comment on the singular merits of that famous Four.

It was honored on the battlefields of war, and achieved equal distinction on the highways and byways of peace.

Its long life and complete dependability had become an adage.

Meanwhile, however, times were changing and tastes were changing with them.

While still as important as ever, dependability alone was no longer sufficient.

Greater speed and comfort, more style and luxury were the growing prepossessions of the hour.

Two years ago Dodge Brothers appraised its task and embarked upon a program designed to place it and its Dealer Organization in a position on January 1, 1928, second to none in the industry.

The astonishing results of this great achievement are now known to the world.

It is doubtful if industrial annals can

cite, over a similar period, an achievement so outstanding.

A smart, swift, low-priced and immensely popular quality Four has replaced its famous predecessor.

The Senior Six, outstanding in performance, quality and luxurious appointment, has been created.

Graham Brothers Trucks and Motor Coaches (formerly exclusively Fours) have been supplemented by sixes. Fifty new types have been added. The capacities are broadened to range from one-half ton to two-ton, all resulting in the most complete and capable line of work cars known, and with prices ranging from \$670 to \$4290.

Then Thursday came The Victory—a Six for \$1045 and up—the most spectacular engineering achievement of the decade.

These accomplishments, one following the other in steady progression, have now provided Dodge Brothers Dealers throughout the world with the most diversified and comprehensive line of passenger and commercial vehicles ever manufactured and sold by a single organization.

For every need and purse there is now a Dodge Brothers vehicle built dependably and in full recognition of the progressive ideals of today and tomorrow.

Adhering rigidly to the sound and honorable standards of a great past, Dodge Brothers have met the challenge of a still more exacting future.

THE VICTORY SIX		THE SENIOR SIX	
Coupe	\$1045	Sedan (leather upholstery)	\$1495
Sedan	1095	Coupe for Four	1570
Brougham	1095	Sedan	1595
		Cabriolet Convertible	1595
