

DAVENPORT-FLORIDA

WHERE WARM, ENDURING FRIENDSHIPS ARE MADE

HOLLY HILL INN

From the four corners of the Nation—they meet in Florida. Warm friendships grow—here in the land where balmy, sunshiny days and soft evenings promote good will and cement friendly feelings—where new golf friends are made and kept—where friendly games of bridge are played on starry, moonlit evenings in the congenial atmosphere of a "homey" Inn—where sweet, juicy oranges are plentiful and the dull cares of life are cast aside and happiness is supreme.

You are a stranger only as long as it takes to enter the portals of the Holly Hill Inn—a rendezvous of refined, friendly and sociable people—a haven of cordial hospitality, delicious food and pleasing service—at Davenport—Florida's Favored Winter Golf Resort—where people of refinement come to escape the rigors of winter and to rest and play in the warm sunshine.

Eighteen magnificent golf holes of 6,623 yards—the supreme treat for golfers—where well-conditioned, heavy-

turfed fairways and fast, velvety, grass greens and skill-testing traps, bunkers and water hazards await you—beckon you—where the breath of youth is in the air and happiness is everywhere—where friendships true under skies of blue are here to welcome you.

And then—a great treat—the finest 18-hole MINIA-TURE golf course of 270 yards in Florida—on the spacious grounds of the Holly Hill Inn—18 miniature grass greens, traps, bunkers and water hazard—awaiting to test your skill with the putter, mashie and niblick—a miniature masterpiece.

You will enjoy Davenport with its green rolling hills, lakes and gorgeous orange groves—everything to make your visit a real pleasure. Write or wire for your reservations. Come now. Your Pullman leaves at noon tomorrow and two mornings later you are playing on the green sward of the golf course at Davenport, Florida.
