Community House Important Factor in Village Life

(Contributed) 'Tis the set of the sails And not the gales That decide the way we go!

So reads an old saying that in all endeavor is proven true. Nor is work of the Community House an exception for "the set of the sails" in the work it is doing—the trend of the whole—is determining its goal and keeping it moving. That trend has ever been toward increased usefulness in the particular part it plays in the life of the village—greater helpfulness to young and old; increased facilities for healthful recreation.

A glance at the present activities in Community House shows over fifty groups using the center regularly. Some of these meet daily, some two or three times a week, some once a week, some twice a month, some once a month. They embrace interests and activities for children, youth and adults. They range through classes in gymnasium work, art, drama, music, sewing, study, dancing—in fact all interests.

There are civic groups, church groups, social groups, foreign groups, and organizations for boys and girls. One cannot know Community House—really know it—without visiting it often and observing its interests and ways of serving.

A glance at some of the "Special" events scheduled for the near future, will give something of an idea of how it meets certain needs of the village:

- Jan. 21 — Czecho-Slovakian club party.
- Jan 25—North Shore British American party.
- Jan. 27—Izaak Walton league dinner.
- Jan. 27—Indian Hill circle party.

- Feb. 4 — Congregational Church school dinner for Grades 10, 11, 12.
- Feb. 8 — Community Drama club play.
- Feb. 9 — Community Drama club play.
- Feb. 11—Sunday Evening club.
- Feb. 13—Chamber of Commerce dinner.
- Feb. 18—Modern Woodmen's party.

Storm Sewer Plans Are Approved by Local Board

Plans for the storm sewer system for the Hamptondale avenue district were approved by the Board of Local Improvements Tuesday evening, following a public hearing, with the request from Trustee D. F. McPherson that the Village Engineer consider the question of whether the depth of the sewer in Hibbard road, as planned, is not greater than necessary to serve the territory to the east.

Indian Hill Pharmacy Now Handles N. W. Tickets

Commutation tickets for the Chicago and Northwestern Railway company may now be obtained at the Indian Hill pharmacy, 454 Winnetka avenue. "Ten" and "25 ride" tickets, as well as the monthly commutation tickets, are on sale. The company will have someone stationed at the Indian Hill depot the first few days of each month, but will not have a regular agent until there is greater need of one. Until the station has a regular agent, the arrangement with the pharmacy will continue. The addition to the Indian Hill station, enlarging the waiting room, was completed this week and is now in use.
