THRILLS OF WINTERTIME GOLF IN THE LAND OF SUMMERTIME

TOP—Playing the Miniature 18 hole course on Inn grounds. LEFT—The snappy 14th hole, 140 yards. RIGHT—The 17th green, Holly Hill Country Club 6,623 yard course.

Down in Florida, they're playing golf every day—wonderful golf on the wide, open stretches of heavy-turfed green fairways and sporty-velvety, grass greens—in summertime wear. The mellow warmth of Spring is in the air—the spirit of youth thrills—Oh, for that freedom and independence of the open fairway—far removed from the dull cares of every day life and business worries—new inspiration—new ambitions—new life. Now is the time to come to the land of Ponce de Leon and play and rest in a genuine way—the way that is known in Florida.

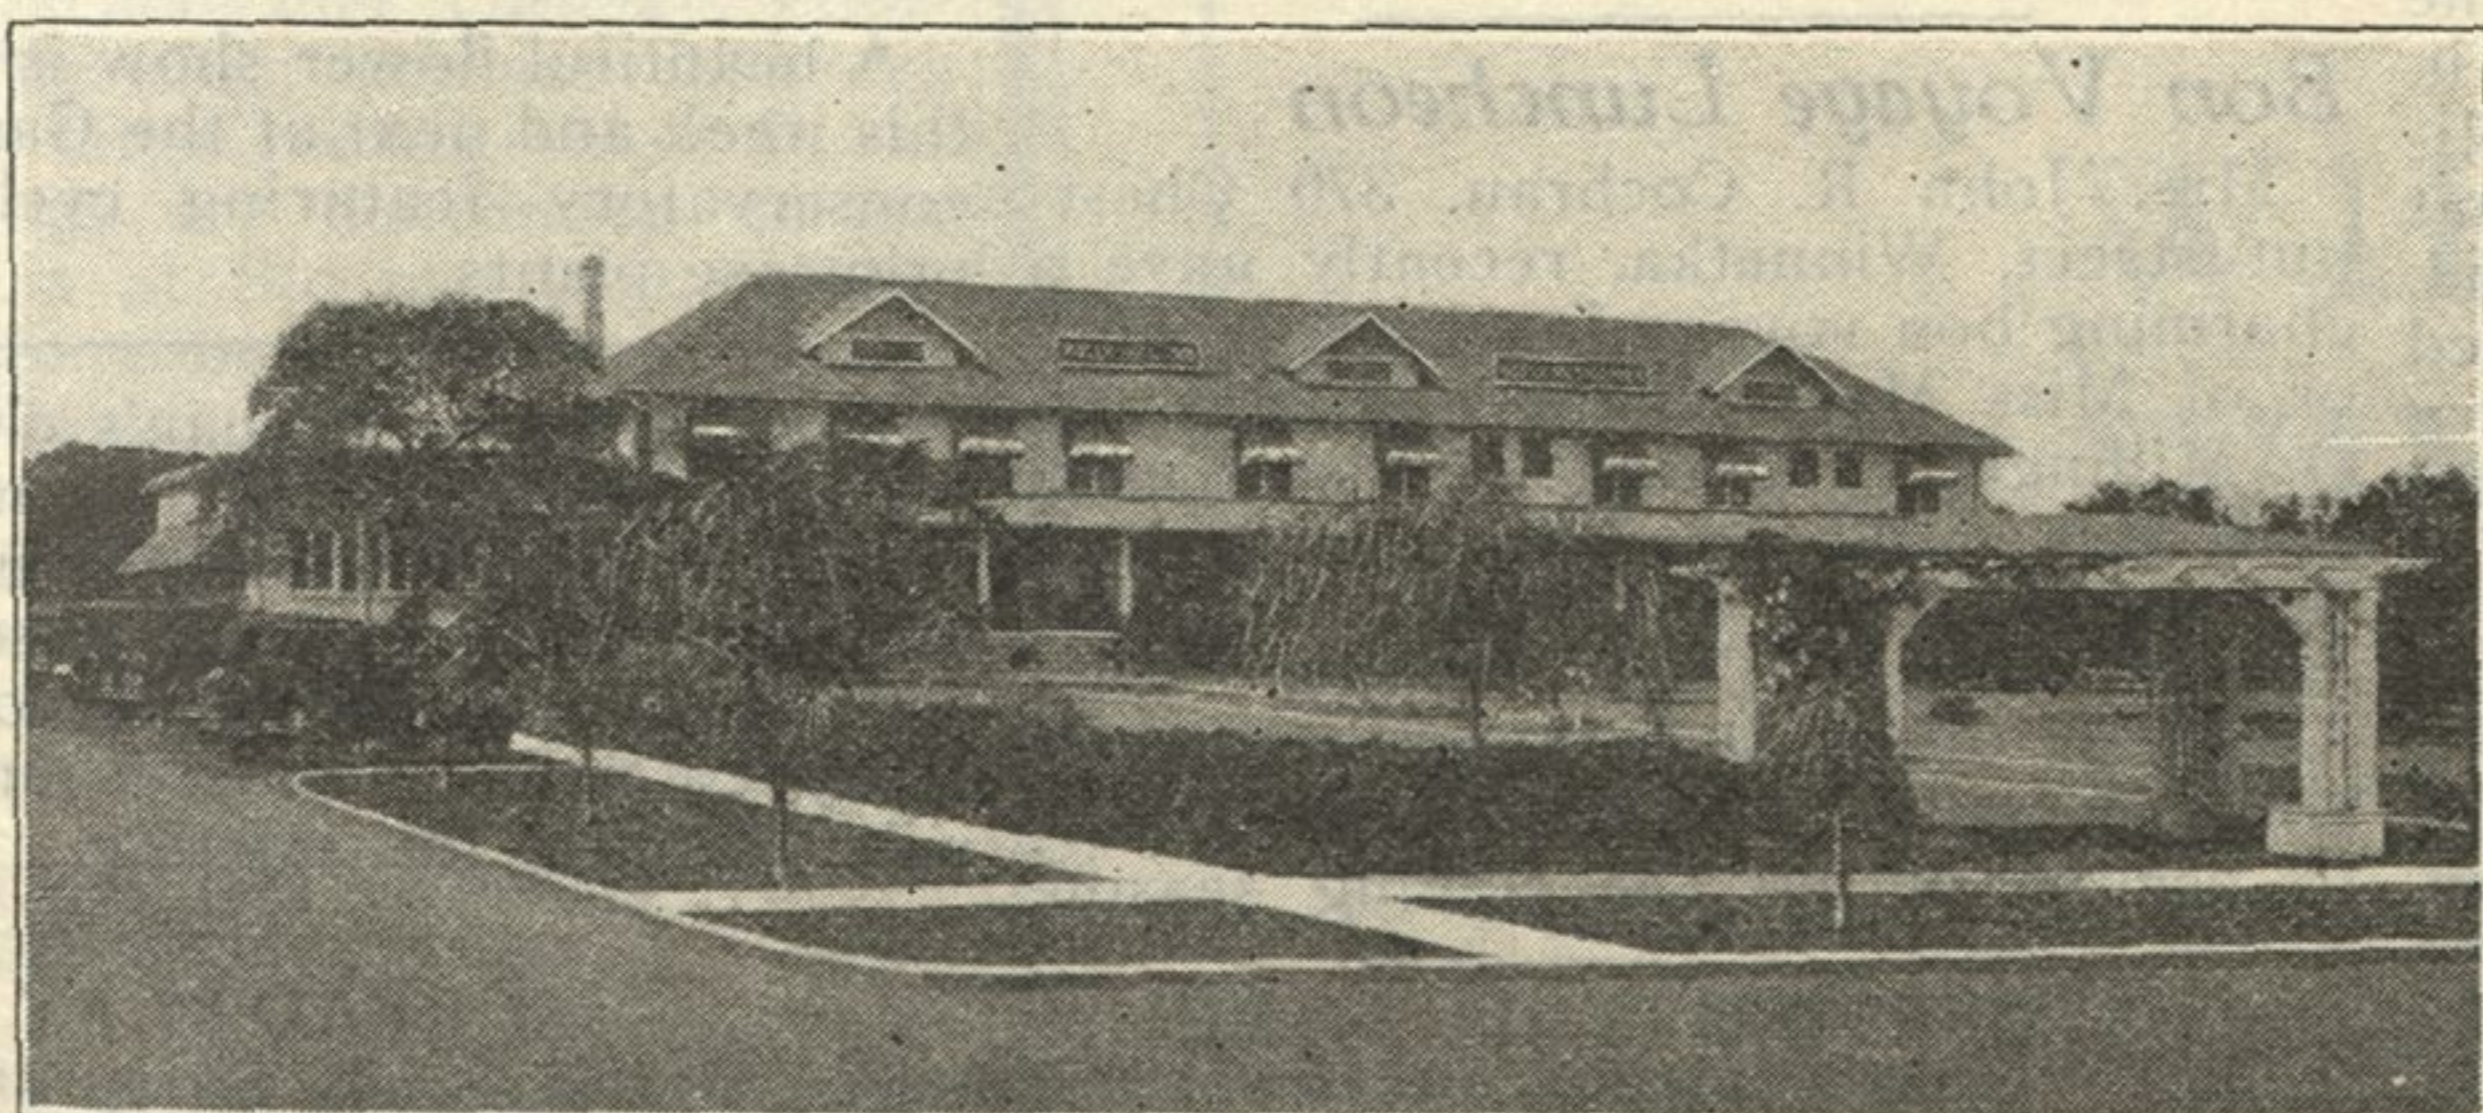

Eighteen magnificent holes await the discriminating golfer at Davenport—Florida's Favored Winter Golf Resort—where the supreme delights of golfing are enjoyed on one of Florida's most beautiful and sporty courses of 6,623 yards—with well-conditioned, heavy-turfed fairways, fast, velvety, grass greens, traps, bunkers and water hazards, marvelously sculptured and

arranged to give the height of enjoyment—a veritable golf masterpiece.

And then—the Holly Hill Inn—select and reasonable—a haven of cordial hospitality—delicious food and pleasing service—close to the golf course—where the finest 18-hole MINIATURE golf course of 270 yards, with miniature grass greens, traps, bunkers and water hazard is found on the spacious grounds of the Inn—played among the orange trees, palms and flowering shrubs—a paradise of beauty and thrilling sport.

They all await you—come now, while the spell is on—come where summertime spends the winter and the joys of life are supreme.

Write or wire your reservations. There's a place for you on the golf links. You are only two mornings from wonderful golf in Florida.
