

N. T. Club to Give Benefit Program for Student Fund

A two-part program, consisting of a one-act play, "The Dress Rehearsal of the King's Freckle," and a concert by the New Trier High School board, will be presented in the school auditorium under the auspices of the New Trier Tri-Ship club on Saturday, January 28. The program will be given for the purpose of procuring money for the Tri-Ship scholarship fund from which loans are made to needy students to enable them to continue with their education.

The concert by the band, which is directed by James Schumacher of the New Trier faculty, will represent the annual concert and will occupy half of the program. This feature of the school year is well known to north shore residents, having attracted considerable attention in past seasons and much favorable comment.

The play, a farce-comedy, was written by C. R. Small, head of the foreign language department of the school. The cast is composed entirely of boys of the club who will take both feminine and masculine roles. It is directed by Gordon Van Kirk, a member of the English department and assistant coach of dramatics.

Labor Is Debate Topic at Forum Next Sunday

A debate upon the question "Is the American Federation of Labor Too Conservative?" will feature the program of the Uptown Forum Sunday afternoon, January 22. Norman Thomas, formerly socialist candidate for governor of New York and mayor of New York City, now secretary for the League for Industrial Democracy, will answer the question in the affirmative. Victor Olander, secretary-treasurer of the Illinois Federation of Labor and of the International Seamen's Union, will reply in the negative. The point of discussion will be the present policies of the American Federation of Labor in co-operation with capital and management and its alleged failure to serve aggressively workers on the lower levels of industry.

The Uptown Forum meets in the People's Church, 941 Lawrence avenue, just east of Sheridan road, Chicago, at 8 p. m.

Bank Deposits Increase Nearly a Million in 1927

An increase of upwards of \$1,000,000 in bank deposits in the seven banks in New Trier township during 1927, as compared with those over a similar period a year ago, is one of the strongest indications of the growth, prosperity and sound financial status prevailing in general on the north shore.

The total deposits as shown by the reports of the several banks at the close of business on December 31, 1927, was \$8,623,559.56 as compared with \$7,655,158.58 at the close of business on December 31, 1926, an increase of \$968,400.98.

Mrs. Sanford Holden of Kenilworth entertained her luncheon club last Friday. The next meeting will be with Mrs. J. C. Carpenter at her new home on Essex road.
