Also, visit the Game Lodge which was the home of President and Mrs. Coolidge last summer, Custer State Park of 63,000 Acres. Attend Gold Discovery celebration. Visit Bad Lands, Pine Ridge Indian Agency, and first of all, watch the Cowboys and Indians assemble for the big Rodeo of July 3rd to 5th. Members of Expedition will have reserved seats. President and Mrs. Coolidge attended this event last year.

This trip will prove interesting from start to finish. Entire schedule planned so each member will have advantage of days well balanced in study and play.

Popular With Radio Audience

Miss Jessie Robinson, dramatic soprano and daughter of Mr. and Mrs. W. B. Robinson, 1026 Ashland avenue, Wilmette, is rapidly becoming one of the most popular radio artists in the Greater Chicago area. She is a staff artist of station WEHS on the Orrington hotel, Evanston, giving nightly programs of both classical and popular selections. Miss Robinson is the possessor of an unusual voice which, unlike the majority of sopranos, registers perfectly over the air.

Service Club Aids in Health Activity at the High School

The Service club at New Trier High school is one of the most successful and useful in that institution. It is unlike most of the clubs of the school in that membership in it gives a student member one credit a semester.

The club was organized three years ago, under the school nurse and is composed of about thirty girls who assist in the nurses' office with the practical work and also with the clerical work.

Since last year a regular course has been followed by the girls, which teaches the simple rudiments of home nursing. Along with this is taught the care of a baby, and the girls take great delight in putting their knowledge of this into practice on the club's mascot, Peggy Ellen, a big baby-doll which was bought for that purpose.

The club is affiliated with the Red Cross and at the end of the series of lectures, a test is given by that organization and certificates of membership presented to those successfully passing the examination.

Besides benefiting themselves by this knowledge of nursing, the girls are at the same time enabling the Health department to carry on more easily and quickly the many activities necessary in the prevention of illness among the students.

The club is now under the competent sponsorship of Mrs. Moore, the health counsellor at New Trier.

GIVE BENEFIT PROGRAM

The musical entertainment to be given by the Edgewater Covenant church choir for the benefit of the Christian Fellowship church, Winnetka, will take place Wednesday evening, February 8, at 8 o'clock. The choir is directed by Prof. Frank Earnest, musical director of North Park college, Chicago.
