

BLACK HILLS EXPEDITION

for Boys and Young Men --- Summer 1928

An Educational Venture—worthy of Consideration. Four Camps of two weeks each. Side Trips Exploring and Sight Seeing, Athletic Sports, Horseback Riding and Fishing. (No hunting)

*These hills their secrets will reveal
To he who seeks their lore
For, Pioneers in days long past
Have traversed them before.*

Full Particulars of the Expedition Will be Given in a Three Reel Film of the Scenic Black Hills

to be Shown at the

Community House—Winnetka Monday Evening, January 30th—at 7:30 P. M.

Everybody Welcome!—Admittance Free!

Locklaven Trout—
Rapid Creek—9½ lbs.

For Informa-
tion, apply to
Black Hills
Expedition.

Pictures will be accompanied by a word picture of The Black Hills by Mr. Warner Putnam.

Mr. Warner Putnam, Eastern Representative of The Associated Clubs of the Black Hills who is thoroughly familiar with that region during its past twenty years development. For the past several years Mr. Putnam has had charge of the activities of the Indians at the Annual Roundup or Rodeo herd in Belle Fourche, So. Dakota—the one President and Mrs. Coolidge attended last July. The members of "The Black Hills Expedition" will attend it this year.
