Every day,—for years to come, this practical appliance will save you standing at the sink handling dishes one . . . by . . . one. It will save you time and energy, and bring leisure you can use to make life more interesting. Think of the work it will save you after parties and dinners—a few minutes, a few simple operations, and 40 to 60 dishes come out clean, sparkling, dry!

Come into our store and see the Conover in *action*. Or better still, let us show you in your own home how quickly, easily, beautifully dishes can be done in the Conover.
