

## Norshore Offering Largest Production in History Sunday

The largest show ever presented in the history of the Norshore theater is to open this Sunday. The entire resources of the Balaban and Katz production department have been utilized to produce this marvelous program.

This gala presentation has been produced to honor Al Kvale's 500th performance, and in celebration of the entertainment at the Norshore Theater.

About six months ago Balaban and Katz presented the first of its popular stage band performances at the Norshore Theater, and placed Al Kvale there as a regular feature. From the first this method of stage presentation entertainment proved its popularity among residents of the great north shore, probably the most discriminating audience in Chicago.

Al Kvale's 500th performance program, combining the stage and the screen, will feature many Chicago favorites on the stage, and beautiful Esther Ralston on the screen.

Among the featured artists are Paul Small, Al's buddy from the Oriental Theater; Johns & Mabely, Prosper & Meret, Billy Adams, the Gould Dancing Girls, and many others.

In Esther Ralston's new picture, "The Spotlight," which is the picture attraction starting Sunday at the Norshore Theater, the blonde star takes the part of a typical American girl who has to face life unaided. This time the girl chooses the stage for a career. Miss Ralston believes that this is the greatest role she has ever portrayed.

Mr. and Mrs. Ernest P. Clark of 526 Sunset road have as their guests, Mr. and Mrs. Charles Below of Crystal Lake. Mr. and Mrs. Below expect to remain in Winnetka about a week.

## Again Assumes Duties as Teacher of Music

Mrs. Paul Starr assumed the duties of teacher of music appreciation in the Winnetka schools this week. Mrs. Starr held the same position on the Winnetka faculty last year but has been away on a leave of absence during the first semester of this year. Her place was taken by Miss Pauline Manchester of Glencoe during the first of this term.

## Horace Mann Children Give Violin Recital

The first concert of pupils of the Horace Mann school who have been studying violin under the tutelage of Miss Mary Nancy Graham, was given during the assembly period at the school yesterday morning. Teachers and pupils of the school are hoping soon to have some of the children take up the study of wind instruments so that a regular school orchestra may be formed.

Mr. and Mrs. Willis R. Hunt and their daughter, Elizabeth, of 870 Sheridan road, will leave next Wednesday to spend about six weeks in California. Mrs. William Hiteman and her son, Russell, will arrive in Winnetka Monday from West Winfield, N. Y., and will be house guests of the Hunts until Wednesday, when they will go on to California.
