

Burn the Fuel You Know —and be sure

Every year unnamed coke comes into Chicago to be sold to any one at any price. It is not *fuel you know*. On the other hand, thousands of men and millions of dollars are engaged in Chicago to make *clean, smokeless Chicago Solvay Coke*, so you can have low cost heat. Burn the *fuel you know*, used by thousands of *satisfied Chicago and suburban families for 22 years.*

Order a few tons of Chicago Solvay Coke from your dealer. There is a correct size for your heating plant. Ask your dealer to have a Solvay Service Man show you the most economical way to heat your home. Chicago Solvay Coke, the *fuel you know*, burns with no smoke, no soot and leaves few ashes to handle.
